Atlantic District of The Wesleyan Church Standing Rules

A. Principles

- The ministers and laypersons of the Atlantic District are and shall continue to be committed to holy living and heart purity. Only those actions and attitudes that speak the mind of Christ should be evidenced among us.
- 2. The ministers and lay persons of the Atlantic District are and shall continue to be committed to a spirit of unity and brotherhood that, in the spirit of Christ, transcends the consideration of personal bias based on history, geography, or tradition.
- 3. The ministers and lay persons of the Atlantic District are and shall continue to be committed to Kingdom building through evangelism and discipleship. Our program and budgets shall reflect our high priority to winning the lost and discipling new converts.

B. District Conference Matters

For a more complete overview of the duties and powers of the district conference, please see paragraphs 1075-1180 in the 2016 Discipline of The Wesleyan Church.

- 1. The Atlantic District fiscal year shall be from May 1 to April 30.
- 2. Local churches are encouraged to give reasonable financial assistance to their delegates and pastor when representing them at annual conference sessions.
- 3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) members-at-large. In electing members-at-large, while being free to vote for any nominee, the conference delegates shall be requested to consider election so as to provide for provincial/ state representation and lay/clergy parity according to the following formula which reflects our relative strength within each geographic entity.

Maine 1 lay and 1 clergy New Brunswick 2 lay and 2 clergy

Nova Scotia/Newfoundland & Labrador/Prince Edward Island

1 lay and 1 clergy

4. District Board of Administration Staggered Terms and for Membersat-Large

All members-at-large shall be elected for 3-year terms. Members may succeed themselves at the conclusion of a 3-year term if nominated and elected. Should a vacancy occur during any 3-year term, such vacancy shall be filled by the DBA in accordance with existing Discipline provisions.

5. Camp Board

The Camp Board shall consist of membership both full and honourary as appointed by the DBA upon the recommendation of the District Superintendent who shall serve as Chair or appoint another to do so. The DBA shall determine the structure and scope of authority of this advisory board.

6. Officer and Department Head Elections

The District Conference shall elect only those officers and boards as required by the *Discipline* or the District with the District Board of Administration authorized to fill all other positions. (The District Conference will elect the District Superintendent, District Secretary, District Treasurer, District Board of Administration Members-at-Large, and General Conference delegates.)

7. Year Fnd Fund Transfers

The strength and interdependence of our various district ministries are both recognized and celebrated. At the conclusion of each fiscal year, funds will be transferred upon the recommendation of the District Superintendent and ratified by the DBA, that will maximize our Kingdom impact, contribute to ministry stability and consider our historic camping ministries and the twin priorities of church planting and church health.

C. District Ministerial Matters

1. All ministers of the Atlantic District are expected to attend the

District Conference, the Ordination Service, and the annual Ministerial Convention. Satisfactory reason for any absence shall be provided to the District Superintendent.

- 2. All ministers are expected to support the district camping program and to share in the work of the camp(s) as assigned.
- 3. Each pastor when leaving a church, will provide for the incoming pastor a data base/information packet containing information as full and complete as possible on the pastoral charge.

D. Local Church and Pastoral Matters

For a more complete overview of pastoral responsibilities and local board of administration duties, please see paragraphs 750-782 in the *2016 Discipline* of The Wesleyan Church.

- Pastoral recall votes shall be routinely conducted during the first two weeks of March. The meeting for an initial pastoral call will routinely be conducted anytime after the middle of March. Any pastor wishing to announce a resignation prior to March 1 may do so only after receiving the approval of the District Superintendent.
- The tenure of an outgoing pastor shall end on the second Sunday in July and the pastoral change shall routinely take place on the following Monday.
- Churches calling a new pastor shall pay moving expenses and related costs such as immigration expenses and travel.
- 4. Each pastor shall be entitled to a minimum vacation per year with pay in accordance with years of service in the ministry according to the following formula:

1 - 5 years service – 14 days not to exceed 2 Sundays

6 - 10 years service – 21 days not to exceed 3 Sundays

11+ years of service – 28 days not to exceed 4 Sundays

Any year of service for which a pastor is entitled to vacation is calculated from the anniversary date of the first Sunday of employment. Vacation time is fully earned upon completion of each year of service. If a pastor leaves a church prior to the anniversary date, vacation will be given on a pro-rata basis. When a pastor leaves a church at the customary time of pastoral change, the

church he/she has been serving is responsible for vacation time for that conference year. No church should at any time be expected to provide vacation time in the same year for both an outgoing and incoming pastor.

- 5. Up to ten days including one Sunday per year are available to staff, solo and lead pastors for conference attendance, professional development, and shared ministry experience. Staff pastors must have the approval of their lead pastor and solo and lead pastors must confer with their LBA. These are to be considered minimums and may be increased by local leadership as deemed appropriate.
- Pastors should inform the vice-chair of the local board of administration of any plans to be absent from the pastoral charge for more than three consecutive days.

7. Sabbatical Leave:

- a. A sabbatical leave, with pay, of up to 30 consecutive days not to include more than four Sundays, and in addition to regular vacation is available to any solo or senior pastor after completing seven years of ministry or any multiple thereof in the current place of appointment.
- b. The specific timing of the sabbatical leave must be mutually agreed upon between the pastor and the LBA in consultation with the District Superintendent.
- c. The church is responsible for any cost incurred in filling the pulpit during the sabbatical leave.
- d. The pastor is responsible to spend a significant portion of the sabbatical leave involved in a learning experience either formal or informal. The details of the learning experience component of the sabbatical leave are to be provided by the pastor to the LBA and District Superintendent when the dates of the sabbatical leave are being set.
- e. The pastor is responsible to file a report of the learning experience component of the sabbatical leave with the LBA and District Superintendent upon completion of said leave.
- f. If the learning experience component is in a formal setting, the LBA is requested to give consideration to assisting the pastor in the cost of attending such.

- g. If the learning experience component is an informal one to be pursued in a retreat setting, the Atlantic District will make accommodations at Beulah Camp available at no cost to the pastor during the sabbatical leave, subject to prior bookings. This could include Footloose, Mitchell House, Hotel or Heritage Hall year round.
- h. The LBA of any church having long-term staff pastors are encouraged to consider a sabbatical leave for such staff pastors in harmony with the general provisions of this resolution.

District Superintendent's Report

So Many of the Same Mind and Heart Have Come Together 130th Session of the Atlantic District of The Wesleyan Church July 12, 2018

If you have men who will <u>only</u> come if they know there is a good road, I don't want them. I want men who will come if there is no road at all. David Livingstone, the great missionary explorer of Africa in the 19th century first spoke these words, and in a few minutes, we will circle back to this thought.

It is my high honour to bring greetings to the 130th session of what was once the Reformed Baptist Alliance of the Dominion of Canada. This morning you will receive a brief history lesson, a full presentation for the first time of our DBA approved Atlantic District Core Values, followed by highlights from this year worth noting, and a closing thought or two on what matters most as we lean into these Exploration Essentials.

A Brief History

The organizational session of our antecedent denomination convened when about 75 delegates assembled in the vestry of the new Main Street Baptist Church on Thursday, November 1, 1888, at 2:30 p.m. In that group was a man by the name of Robert Moore from Marysville, NB. Some of you have had the misfortune of meeting the Marysville Moores and there are more than a few of us buried in the Olivet Cemetery next to one of our great churches Crosspoint, where I was baptized by the Rev. Stephen Bradley. He has long since regretted not seizing the opportunity to hold me under that day \odot .

Back to 1888. Also included in this inaugural delegation were five Free Christian Baptist ministers who had just been disfellowshipped from their denomination because they had come to believe in the promise of Scripture and the power of the Holy Spirit to bring purity in love and life to the Bride of Christ. It was less than two weeks before, that one of those five ministers, George W. MacDonald, accepted the invitation on October 20th to become the pastor of Main Street Baptist, thus forming what would soon become the first congregation and pastoral appointment of this emerging Alliance.

G.W. MacDonald's Bible has been in my office this week as a visible reminder of the influence of this great leader. It was borrowed with the kind permission of Vesta Mullen, our Curator of the Mullen Heritage Archives, who this year is attending her 91st consecutive Beulah Family Camp.

The organizational meeting that day began with the following motion by Rev. MacDonald, "That it is the opinion of this meeting the time has come when friends of the Holiness movement should seek to make a more united and earnest effort for the dissemination of the doctrine and experience of Bible Holiness." The motion was carried unanimously, and a new denomination was born which merged in 1966 with the Wesleyan Methodist Church in anticipation of the birth of another.

And so, it was 50 years ago, that the Wesleyan Methodist and Pilgrim Holiness denominations merged on June 26th to form The Wesleyan Church. This afternoon we will enjoy a video highlighting this history and will receive the State of the Church address on behalf of our General Superintendent, Dr. Wayne Schmidt, as presented by his representative and our National Superintendent, Dr. H. C. Wilson.

In that November 1st organizational meeting 130 years ago, G.W. MacDonald spoke prophetically when he declared, "The fact that **so many of the same mind and heart have come together** to consider what kind of a union we should have, argues well for future success." Remember that phrase, "... so many of the same mind and heart have come together..." - Let's join our hearts with good voice and repeat this in unison...

And so, what became of our Free Christian Baptist friends? I am holding in my hand a copy of the obituary for the June 9, 2018, passing of Rev. Fred Burnett, who one month ago was the last surviving ordained minister of the Free Christian Baptists. When Cedric Landers gave me a copy of his obituary. My first thought was merely this, there but for the grace of God go we.

The only thing keeping us from one day reading the obituary of the last ordained Wesleyan pastor of the Atlantic District, is if we continue to focus on the prophetic insight of Rev. G. W. MacDonald on November 1, 1888, when he said, "The fact that **so many of the same mind and heart have come together** to consider what kind of a union we should have, argues well for future success." Our fourth and longest serving District Superintendent, Rev. H. R. Ingersoll, out of great vision and timely skill as a leader over several years, led our budding movement to link with *others of the same mind and heart* in the spirit Rev. G. W. MacDonald expressed in those words 130 years ago.

District Core Values - Exploration Essentials

Your history lesson is over - now for the main course. My Atlantic brothers and sisters, our shared core values will align us in what matters most for the

journey of exploration ahead. And the anointing, favour, Kingdom fruit, and power of the Spirit are released for God's glory when we are of the <u>same</u> <u>mind and heart</u>, united around the values that God uses through us to make an eternal difference.

Core values are the things that matter most. They are the things we believe and embody which trump other good things. Someone once said that values are the invisible threads which shape and form culture. And whether it is the culture of 75 former Free Christian Baptists on an afternoon in 1888 in the foyer of a new church in Woodstock, or the culture of 250 delegates in the tabernacle of a 124-year-old God-ordained camp ground, shared values will inform behaviour more than anything else in the life of a defined group of people.

Last November I expressed in my first meeting as DS with the DBA, my deep conviction that we needed to embark on a journey this year with our district to clarify and declare what matters most. Simon Sinek said it so well, "People don't buy what you do, they buy <u>why</u> you do it. And what you do [he says], simply proves what you believe." I would ask each delegate to take your Exploration Essentials booklet from your packet as we read this together.

My November introduction with the DBA, was followed by identical Huddles in five locations around our district which included the participation of 84 of our pastors. We completed two exercises which explored the current ways we perceive our values and how they may differ from what is needed most to achieve our maximum Kingdom potential in fulfilling the Great Commission. Every single sticky-note, the individual assessments, and all group summary sheets were collected and collated by the district office during the month of December. This data was reviewed and distilled through a series of conversations with individual leaders and smaller focus groups in a variety of ways over the winter months. As I prayerfully processed this input and sought direction from the Lord for the best ways to summarize how He seemed to be guiding us, I presented a first-draft to the DBA in March. The excellent work that day resulted in a unanimous affirmation of the final six values expressed in two-word format each with an explanatory page of detailed *Key Components* and existing *Tensions*.

As many of you know, the sermon segment of the last three mornings at Beulah Family Camp included six mini-messages highlighting greater detail for each value. They were recorded and an edited copy of those messages by myself, Seth Fancy, Mark Brewer, AJ Plaizier, AJ Thomas, and Denn Guptill, will be posted on the Core Values portion of our Atlantic District Website by the end of August. This went live last night and includes a longer summary document for each value that is not included in your district conference

Exploration Essentials booklet (www.atlanticdistrict.com/values).

As we publicly declare these values in unison - coming together with the same mind and heart - I will be highlighting ways each one has found expression in the life of our district this year. To be clear - there will be many great examples not mentioned as well - if you have embodied these values through your ministry this year, you know it - and we are grateful for your leadership. I also want to publicly thank all those who participated in the journey this year - especially the DBA, and also Mark Brewer and Jamie Cambers of Crosspoint, the branding gurus who led in the development of this exploration metaphor to ignite our imagination and inspire our engagement. Would everyone who participated from the huddles to the DBA to the branding please stand - let's show our appreciation for their tremendous efforts and effective leadership.

(Read values booklet in unison - have all delegates from churches stand for each highlight. The following bullet points were not read verbatim but provided direction for ad lib remarks by the DS.)

- 1. (spiritual foundations)
 - There is nothing closer to the core of our spiritual foundations than our mission to see the lost saved & baptized. Every church that had at least one salvation and baptism this year, please stand. 400 baptism & 916 salvations!
 - Stewart Steeves (Grace Wesleyan went home last Beulah) AJ Thomas - Pastor Emeritus @ Deep Water
- 2. (kingdom multiplication)
 - Carl & Evelyn Brewer Hope-Shelburne restart 3 years ago
 - Stuart Marples Solid Rock & UTR attempt
 We should be afraid of failure. True failure is that we never risk
 at all. We cannot be afraid of unsuccessful attempts to multiply
 the Kingdom. We will gladly invest both leaders and finances in
 Kingdom "research and development." It is bound to happen from
 time to time when we risk. Let's celebrate the courageous spark
 in these leaders and keep moving ahead anyway. Oswald Sanders
 once said: "A great deal more failure is the result of an excess of
 caution than of bold experimentation with new ideas. The frontiers
 of the kingdom of God were never advanced by men and women of
 caution."
 - Kings Church October satellite launches with West/Halifax & ONE CON

- 3. (raising leaders)
 - Dale MacDonald DBMD
 - Four women lead pastor appointments this year
- 4. (contextual effectiveness)
 - Deep Water 51% growth downtown Halifax context
 - Havelock, NB kids ministry 36 kids 107 in local K-5 school
- 5. (stronger together)
 - Beals & Jonesport launched joint Sunday night ministries in Feb
 Service @ J & Awana @ B (20 kids/leaders) summer keep the
 combined services.
 - South Shore connection & momentum, shared sermon series, leadership training events, Yarmouth Brazil Lake \$5K ½ of Sunday offering
- 6. (global collective)
 - Top five churches in financial support for Global Partners will be highlighted in the district treasurer's report later
 - Moncton Wesleyan Babaco Partnership in Haiti

As of last evening, all six of our core values with detailed explanations were posted on our district website. Feel free to peruse them during the remainder of the conference. Why are core values so important? In the leadership wisdom of Will Mancini, they are the why (values) behind the what (mission) for the how (strategy) and the when (measures) so that the where (vision) is a destination worthy of Kingdom exploration (Auxano - Vision Frame). And today we unapologetically draw a line in the sand of our priorities to declare these Exploration Essentials are core - they are what matters most and God being our helper will come to characterize everything we do.

2017-2018 Church Year Highlights

We will come back to some closing thoughts on values in a moment but first let's consider some additional key highlights from this year on our district. Under normal circumstances, the DS report would and should include much more detail about the life of our district year. You will be relieved to hear, I will not take additional time to do so today in light of the priority of clarifying and declaring our Exploration Essentials. I will, however, offer a few bullet points worthy of highlight.

We held more district affinity groups this year than perhaps ever as we have leaned into the tribe in an expression of the value that we are stronger

together. This included but was not limited to:

- Missions round table
- Celebrate Recovery Workshop
- Break Thru 100
- Apostolic Multipliers
- Joint Training for Children's Ministry with the CBAC

This report would be remiss in not speaking to the recent challenges in our Canadian legal landscape. Our friends in Maine, are in a slightly different political context with regard to religious freedoms and we are grateful you are standing with us - we need you. The Canada Summer Jobs Attestation matter and the 7-2 split decision of the Supreme Court of Canada ruling against the religious freedoms of Trinity Western University's application to launch a law school - are both events which give us cause for concern.

But without getting into the weeds of detail, I want to call you to a balanced approached as spiritual leaders. We should neither stick our heads in the sand and be silent nor turn to the pages of Chicken Little and run around wringing our hands shouting, "The sky is falling!" I am calling you to wisely steward the voice of your office. Social media will only impact the already convinced and reinforce the world's opinion that the Church is narrow and judgmental. Let's lead the Church to respond where it matters. Our hope is in the Lord - not in what any political system says our freedoms are. Church, the Good Book promises that the very gates of hell shall not prevail against us.

We also celebrate the progression of The Wesleyan Church of Canada (TWCC) and we are grateful for the influence and wisdom of our first National Superintendent, Dr. HC Wilson in leading us to this summer of succession and the promise of a new day of Kingdom synergy between our two Districts. As already stated, DS Peter Rigby, is here with us today - as I was with him a couple of weeks ago at the Central Canada District Conference. They are growing, on the move, and we are stronger together. The Kingdom wins we will share in the days ahead will soon become reality under our new National Superintendent. More on that this afternoon.

One of the great celebration points for our district this year, was the full restoration, reinstatement, and local church appointment of Rev. Jim Agrell. (To Jim) We love you, and we love Diane even more ⑤. I was honoured to serve as the Chair of your Restoration Committee over these past years and the Sussex Wesleyan family is blessed to have you at helm. Welcome home sir, we have missed you Jim - and we need you.

One of my professors was fond of saying that data is friendly. And while you

have already noticed this report is AWOL of any detailed statistical analysis, I will just say this. We have celebrated some high points that have modeled our values. And while I fully agree that data is friendly in that the raw facts are free of bias - the inconvenient truth is - data is not always encouraging. The net increase of our district's total primary attendance was on average 214 worshippers. This is good, but I do not on the whole believe it is a point of celebration. Our top two churches leading the way in growth had a net gain of 417 between them. When you put those two numbers together this is not good. And it gets worse. I have chosen arbitrarily to define a plateauing church as one that has either grown or declined in the +/- 3% margin from the reported primary worship from three years ago. Using that rubric 15% of our churches have plateaued. And while this is not intended to heap shame or a lack of value on any leader, a staggering additional 62% of our churches have declined. More than 3 of every 4 church families are either maintaining or losing ground. This is heartbreaking because of what it means in how we are fulfilling our shared mission. I love each and every one you and I am for you. I am committed to resource and encourage you. But it gets worse. There were 17 churches which did not celebrate a single baptism this year, and 11 of our churches saw no one come to Christ this year.

I openly acknowledge this is a very uncomfortable conversation. And it is true God calls many to serve in hard places that may not bear immediate fruit. In 1840, David Livingstone whom I quoted at the beginning of my comments, was influenced to consider the exploration of Africa as the focus of his mission. In all the years of his ministry he only had one convert, but that one man eventually opened up an entire region for the Gospel with thousands of converts through the follow-up labours of other missionaries. And so, I understand that sometimes God calls some of us to Kingdom exploration in places where we are planting seeds for a harvest others will reap. And while Dr. Livingstone's remains rest in Westminster Abby, his heart is buried where he died in what is now a northern part of Zambia, the country of my childhood. It was buried there because his heart never stopped breaking to see the Gospel advanced and the abolition of slavery achieved.

But friends, eight of our churches did not celebrate a single baptism or salvation. If people are not being reached, if we are not celebrating salvations AND baptisms, then we may be gathering but we should take the name "church" off our signs. Again - this is not about your value as brothers and sisters in Christ nor is it an attempt to shame any specific leader or church. But this I know, more than anything, these data call us to repentance. These "friendly" data are shocking and must be cause for the greatest sense of urgency that motivates us to action we have ever seen. I'm talking ugly-cry repentance. I'm talking sack cloth and ashes repentance. And before the end of summer I will be contacting all 8 of these Lead Pastors to work together

in scheduling a prayer service of repentance I will co-lead with you for your congregations as we plead with God for the fresh wind of His revival and for the fruit of transformed lives. God help us.

And before I share my closing thoughts, let me say a word about Rev. David LeRoy, our 7th District Superintendent. We gathered as a district family in early September to honour our former leader and to express comfort and support. It was an incredible service in honour of a man whose life and legacy have made the Kingdom a better place and whose influence has led hundreds to the foot of the cross. Joanne, we are grateful for you and the way you modeled ministry engagement with your husband and we continue to lift you up.

Closing Thanks & Thoughts

And now a word of thanks and a closing thought.

Thank you, DBA - your counsel has been wise, truthful, and timely. The final stages involved in the co-discovery process of our core values will always be a rich memory for me. You have served your district well. Dr. HC, what an incredible mentor and deep-spirited friend you are. You will always be a priceless treasure to your Tribe. Your continued investment in me goes way beyond the word "statesmanship." Andrea, last year I declared that you were a leader whose time had come. And so, it has. I just wish Steve Lennox hadn't noticed because now you have two guys fighting over you. Technically you are half-time with Kingswood which you know I celebrate and support - and half-time with the district. Your capacity seems limitless and we can't wait to keep exploring the Kingdom together as you soar to unexplored heights of effectiveness in our mutual mission. Karrilee, I say it all the time - you are the "secret sauce" of the Atlantic District. On any given week your Kingdom output easily exceeds the average workload of two others. And you do it with a genuine and cheerful spirit of service that is contagious. One of the very best parts of my job, is that I get to spend the office parts of this roving reverend assignment with you.

AJ Plaizier, you are not a fan of these times of public recognition so plug your ears while I talk to the conference. This man is a truly incredible leader. His ability to serve with second chair excellence as our ADS while leading one of the largest and most contextually effective ministries on our district, is a great gift to me. We have no secrets and I guarantee you this - he will never be accused of being a yes man. I need him far more than he needs me - and I like it that way. Ellen, this has been a big year of transition for us in many ways, a bookend in what we now celebrate as a God-directed and divinely timed journey. You make our family life the priority it needs to be for our

amazing girls. I am blessed by your support on the darkest days and your keen ability to see things as they really are to help me to get my head out of the clouds and my feet on the ground.

Will every one of my DS reports be so history-laden? I doubt it. But Church, history matters. And the "why we did it" behind the "what we did" is a cornerstone of the spiritual foundations we value today. Will my future reports to this conference be so values-focused? You better believe they will be. Today we unapologetically draw a line in the sand of our priorities to declare these six values are core - they are what matters most and God being our helper will come to characterize everything we do. Mission-driven strategy is a good start, but it pales in comparison to the Kingdom impact of values-driven vision.

Thanks be to God for the wisdom of Rev. George W. MacDonald when he spoke prophetically 130 years ago, "The fact that **so many of the same mind and heart have come together** to consider what kind of a union we should have, argues well for future success." And to paraphrase the words of Dr. Livingstone: If we, the Atlantic District, have leaders who will <u>only</u> come if they know there is a good road, we don't want them. We want women and men who will take up these Exploration Essentials and come with us, even if there is no road at all.

With His hope,

Rev. P. T. Moore

Assistant District Superintendent's Report

Year one's always feel the same - figuring out new rhythms, building trust, learning culture, and asking a lot of questions. This past year has been all of those things and more.

I have sought to be available for conversations, debates, and prayer-whether in person or digitally - as needed by the DS.

It has been an honour and a privilege to serve beside our District Superintendent and with our DBA.

Rev. A. J. Plaizier

District Director of Children's Ministries

Children's Ministry Leaders gathered during Beulah Camp 2017 for an afternoon of connecting, sharing resource ideas, and encouraging one another from 1-2:30. Connecting together as leaders is never a waste of time! Thank you to Matt Fahringer for collaborating with us for this Mini-Huddle event.

Online ministry resources and ideas are shared on the Atlantic District Children's Ministry Facebook page. Churches are encouraged to make contact and partner with other Churches to share ideas and resources. On-site ministry training was provided through The 2017 NEXT Conference on April 14 at Moncton Wesleyan. This was our first Wesleyan/Baptist partnership that brought 265 leaders together for a day of training, equipping and encouragement.

Thank you to the Children's Ministry leaders and pastors on our district who willingly host a Huddle, so that others may be encouraged and equipped. For more information concerning the Atlantic District Huddle, to register volunteers or host a Huddle, please contact Linda Lamos at linda.lamos@kingschurch.cc

District Director of Global Partners

Thank you for the privilege of being able to serve again this year as your District Director of Global Partners.

This year we did a major update to the GP Atlantic Website (gpatlantic.ca). This is the central point for accessing information about our various Atlantic District Missionaries. The site has been updated with more info and a fresh new look, thanks to Pastor Stefan Gilbert for the update.

I have been in communication with the various mission personnel from the Atlantic District. My desire is to be able to serve as their liaison as needed on the district.

In the past twelve months, I had the opportunity to visit two separate overseas fields. Last May I made a vision/speaking trip to Egypt along with our DS, Dr. Matt Friedman of Kingswood University and Justin McGuigan from our Maple Ridge Church. It was a privilege to speak words of encouragement into the life of believers in Wesleyan Standard Churches across Egypt.

In April I was able to travel to Uganda for a weekend to speak to the various Global Partners Personnel from across Africa at their annual retreat. It was great to interact with this great team and to hear what God is doing in Africa.

Mission Pastors from around the district met for a huddle at the district office in the fall. The purpose of the day was to introduce them to some of the HQ staff that were present and to share best practices.

I have met with George Pryor, the DDGP of Central Canada, to discuss how the two districts can work together to better serve the Kingdom through Global Partners.

In April I was able to speak at the World Hope Banquet at Kingswood University promoting the Well Drilling Project in North Ghana.

GP-Atlantic would love to partner with local churches in the adventure, if you are planning a short-term trip this year please contact me.

I look forward to continuing to serve both the district and our GP Personnel in this capacity.

District Director of Joy Ministry

JOY – Just Older Youth! Again, I remind you that within each Wesleyan Church on the Atlantic District there is a gold mine of gifts, talents, experience, wisdom, love and willing hearts to serve in the persons of our seniors (55-Up). I count it a blessing and privilege to be a part of this select group and to have given leadership on the district level for the past three years!

On the third weekend of August 2017, nearly 80 JOY Ministry participants registered at Beulah Camp for another fun filled and uplifting weekend! The weather was perfect, the food was plentiful & delicious as always.

The ministry team was led by Rev. Dave McElhinney and his worship team from River Valley Wesleyan Church, Grand Bay, NB. The music was worshipful & uplifting and often used to set the table for the Word. Pastor Dave preached with power and insightful Biblical teaching that was both practical and insightful. One of the highlights of the weekend was a baptism following the Sunday morning service!! Indeed, He is 'Building His Church' throughout the various district ministries! Entertainment fell into the capable hands of Pastor Kathy Shanks, Journey Wesleyan, Fredericton, NB. \odot !

Saturday afternoon was a free time followed by an early supper and then a full evening of activities: worship service, movie, and 'Make your own Sundaes'!

I extend a sincere thanks to my willing volunteers who helped with registration, power point & sound (Jim & Anne MacNeill) as well as several other behind the scene tasks.

Special thanks to our treasurer, Mr. Lawrence Farrell, layman at Woodstock Wesleyan Church and Ron & Gloria Bunn who so capably cared for the housing matters.

Thanks for allowing me the privilege and blessing to serve in this capacity as we now anticipate further exciting and impactful senior events with new direction & leadership in mind.

Riverside Director Report

Riverside 2017 was one of the most exciting camping seasons we have experienced for many years. Attendance was up dramatically, campers came to Jesus, many grew exponentially in their spiritual journeys and the sense of unity was amazing. Volunteerism has never been higher and we have some who have made Riverside their "mission field".

Our Elementary Camp had 64 campers under the leadership of Debbie Rooney and Vaughn Martin. As always there was a great mix of fun, fellowship and teaching. Most significant was the amazing times of seeking God at the altar in a true movement of the Holy Spirit among these children. Debbie termed it one of the most unusual things she has ever witnessed in many years of children's ministry. We are thrilled that God continues to use Riverside to transform young lives.

Senior High and Jr High were both in the high 50's with the total for the 3 camps at 184. As the father of a 16 year old I value opportunities to place her in high level spiritual settings. These camps were full of the Holy Spirit's moving in ways that change destinies. Each year we see kids called to ministry, make life altering changes, and return a few years later to serve in ministry in one of our local churches. Recent additions such as our low ropes course, team building challenges & nine-square volleyball have added much to our camping experience but the draw to Riverside still remains the profound way God reveals himself to our youth. There are also the deep relationships that our campers develop that remain from year to year. Each camping season brings a heightened anticipation as campers return to build new memories.

Finances have been much improved and we continue to make necessary repairs and additions. Last year we replaced all the windows in the hotel, redid the dining room area and nurses station and infirmary. This year we doubled the girls shower area, purchased a new commercial gas stove, and were gifted with a beautiful log cabin to provide housing for our camp speakers. This fall plans are to develop a large activities field and the swimming pool will be replaced. We celebrate the amazing facilities and effective ministry that are a part of Caton's camping but are so grateful for the legacy of Riverside that has impacted so many.

This year's camp schedule:

- Elementary Camp July 9-14
- Sr High Camp July 15-21
- Jr High Camp July 22-28
- Family Camp Sunday, July 29-August 1

This year we are changing our adult camp routine, starting on Sunday afternoon at 3 pm American, with services continuing Monday through Wednesday at 6:30 pm American time. Our guest evangelist is Rev Mel Norton. Sunday afternoon will also feature a mini concert by Kelly O'Meara.

District Director of Youth

The past year has been an incredible year for the Atlantic District youth! There have been many awesome events provided for our teenagers who are connected to local youth groups. All of the volunteers and youth pastors we have within the district really are making an impact in their lives! We need to thank these men and women for showing Jesus' love to the youth and the families they minister to with our continued prayer, support and encouragement!

FAMILY CAMP (Youth Track) - July 10-14, 2017

The Family Camp youth leadership team continues to pour many hours of preparation & prayer into the events during the week - THANK YOU! Last year during family camp the youth track continued to see an increase in registration #'s for the week - 120+ and we are anticipating this trend to continue with the 2018 edition of the youth track! Please pray for this team and all the youth who will be involved in this years' camp!

"ENCOUNTER WEEKEND" - October 14-15, 2017

On October 14-15, 2017 saw 400+ teens invade the Kingswood University campus for "Encounter Weekend"! Kingswood continues to offer a fantastic event that is intentional of presenting Jesus and we are seeing young hearts changed and called into full-time ministry because of this event!

"ONE CON" - May 11-12, 2018

This past May saw a BIG CHANGE occur with the merger of *Rally In The Valley* and the Canadian Baptists of Atlantic Canada (CBAC) *Spring Forth* rally into the *ONE Conference*! The following is taken from the May 14, 2018, It's Monday Again:

[ONE Conference recorded 2500+ registrations, including 600+ local church leaders. ONE was birthed at the initiative of Kings (Brent Ingersoll & Andy Broad) to merge "Rally in the Valley" with the Canadian Baptists of Atlantic Canada (CBAC) annual youth rally, "Spring Forth." With additional volunteer staff and special guests in attendance for this first-ever interdenominational Atlantic student ministries conference, there were nearly 3000 in the Moncton Coliseum over this past weekend. More than 130 churches were represented including at least 5 denominations. Approximately. 1000 students stood for a call to accept Christ on Friday night, including one German exchange student from Miramichi (as reported by Sharon Simoneau)! Our Father is worthy of it all! Mosaic MSC led in powerful worship and the lyrics to their song (aptly titled) "The ONE" summed up the weekend nicely, "Father, move us, Spirit, lead us, to a new place, to a new day..."

Thanks be to God for the vision and tireless efforts of all those who made this unprecedented move of God in the lives of Atlantic Students possible...]

Let me say it has been an honor to serve another year in this role! Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think. Ephesians 3:20 (NLT)

Executive Director of Camp Ministry

We have much to be grateful for as we consider the blessing of having a thriving camp ministry on our district. At a time when many camps are struggling to stay alive, both Caton's Island and Beulah Camp are experiencing growth and vitality that make stewarding this district resource an energizing responsibility.

Caton's Island, under the visionary leadership of Dean Stephenson, is continuing to forge new ground in its ministry to children, youth, and families with the implementation of the 2025 Vision strategy. The 2017 summer season saw 175 young people make first-time or re-commitment decisions for Christ. Praise the Lord! A record number of early registrations for 2018 filled several camps to capacity by mid-May and prompted the decision to build an additional cabin. Plans are under way for a crucial Choate Dining Hall expansion that will accommodate 350 campers and provide opportunity for further growth.

I had the privilege of traveling with Dean to the Christian Camp & Conference Association's National Conference in Colorado Springs in December. The conference provided excellent content through the seminars and workshops, and valuable connections were made through the networking opportunities.

May provided unique opportunity and challenge. We were given an exclusive opportunity to promote Caton's Island summer camps at WE Day in Saint John with over 7,600 middle school students in attendance. May also brought news of a snapped underwater cable that provides power to the island. Through God's provision and the diligent efforts of several who intervened on Caton's behalf, a solution to restore power was found months ahead of the initial timeline.

Beulah Camp continues to grow and flourish with new additions to the campground. The construction of Antioch Way provided additional lots. The Mullen Heritage Archives was established under the direction of Laurence and Vesta Mullen. A picnic shelter was erected near the playground that will accommodate 80 people. Plans are underway to create a youth recreational space in the Children's Tabernacle and a multi-purpose gathering spot in the basement of Heritage Hall.

The Flood of 2018 was one for the record books. Our Caretaker, Bruce Cheney, did an excellent job of navigating the camp through the high-water time and overseeing the flood recovery. Over 100 volunteers gave in excess of 500-man hours of labour during the Annual Beulah Work Day to get things

ready for the summer.

This summer we are experimenting with a variety of weekend activities for the whole family. Plans include Saturday breakfasts, Sunday dinners, movie nights, a boating and bus trip, weekend seminar, fishing derby, coffee houses, and special musical guests, all aimed at providing opportunities for community and connection on the campground.

This year we were refused student grants through the Federal government, due to the requirement to sign the attestation. I am thankful to report that we had more students than usual receive SEED grants through the provincial student grant program, bringing our funding up to our normal level.

We have an incredible volunteer base that contribute untold hours of their time and talent in the ministry of our camps most notably many who attend Browns Flat Wesleyan Fellowship. A sincere thank you to those who serve so willingly and generously. Special thanks to Bruce and Roxie Cheney, Dean and Carol Stephenson, Ron and Gloria Bunn, and Doug and Rose Tatton, who competently serve our camps with excellence and servant hearts.

Please join me in praying that Beulah Camp and Caton's Island will continue to flourish and grow and be a place where people of all ages experience the saving grace and goodness of God.

2018 Atlantic District FY18 Year-End Fiscal Overview

The overview that follows provides a snapshot of our district financial position at the end of FY2018. The detailed report has been reviewed and approved by the DBA. Our fiscal statements have been reviewed for many years by Stevenson and Associates of Moncton, NB, but by action of the DBA will now be reviewed annually by Turnbull & Kindred Chartered Professional Accountants whose offices are in Sussex, NB. This was primarily a routine matter of good fiscal oversight to seek the input of fresh perspectives during a change of district administration.

Turnbull & Kindred will be working with district office during this fiscal year to consolidate our five companies and two bank accounts into four classes and one general ledger with one account effective May 1, 2019, at the beginning of the next fiscal year. This natural evolution improving our accounting was made possible by software advances not previously available. Several years ago, the district began presenting this summary overview to the district conference which has been very well received. Detailed copies of the financial statements are available at the district office for any delegate upon request. In keeping with this new format of presentation, the full multi-page report of profit/loss and balance statements will appear in the District Journal published on or before October 1st.

Noteworthy Highlights

- 1. USF collection reached a new all-time high of 96.6% up 1/10th from last year's record.
- 2. Total USF received from churches with over \$500K in assessable income was projected as \$28K+ less than FY2017 rates. This was a planned and celebrated investment in the frontline local church by action of the 2017 District Conference re: the favourable adjustment of the USF cap by 1% for churches with income larger than \$500K. First \$500K all churches are assessed at 10%. The next \$500K is assessed at 8%, and the second million assessed at only 6%. Income over \$2M is non-assessable for USF. This \$28K investment in the impact of these churches was the result of district operations receiving 1% less in each of the top two brackets.
- 3. The flow of funds through the district office during the year for all purposes exceeded \$3.65 million the highest ever.
- 4. Beulah and Caton's Island had a combined income of more than \$1.34 million and the district operating fund processed nearly \$2.2 million.
- 5. Total district giving to Global Partners was over \$800K. The top five churches supporting Global Partners gave a total of more than \$449K.

Would the pastors and delegates of these top five churches listed in the order of total dollars given please stand - this year they were Crosspoint (\$124K), Cornerstone (\$118K), Moncton (\$111K), Yarmouth (\$54K), and Hillside (\$40K).

This was an out-of-pattern fiscal year in light of leadership transitions and related extra expense last summer which will not be repeated in FY2019. As indicated above, the vast majority of pastors and churches participated very responsibly in meeting their USF assessment and did so in addition to the generosity reflected in giving to Global Partners, church multiplication, camp ministry, and World Hope International - Canada. Our hats are off to Pastor Sharon Simoneau and Miramichi Wesleyan for making 100% this year and paying the remainder of what was owing for last year! Above and beyond - thank you for expressing the value that we are stronger together.

The district contributed \$6,000 to Kingswood University; \$6,000 to Wesleyan Place - our office building to address long-term maintenance matters; \$6,000 to World Hope Canada; \$53,400 to reserves for future church multiplication and church health initiatives; \$20,000 in reserve to assist pastors in attending The Gathering in January of 2019; \$10,000 in reserve for the 2019 Canadian National Conference and \$10,000 to auto reserve.

Beulah Camp and Conference Center and Caton's Island both operated in the black and for the third consecutive year Beulah Camp operations received no direct subsidy from the district. As well, an enormous milestone was achieved as this was the first year since its 1985 purchase by the Atlantic District, that Caton's Island operations received no subsidy from district USF. Even with absorbing the significant expense of expanding trailer park sites with the addition of Antioch Way, Beulah Camp operations contributed \$10,000 to church multiplication and revitalization initiatives. Beulah also met the government requirement for a minimum transfer of \$3,500 to the wastewater system reserve which stands at more than \$46,500 - just one year away from the \$50K maintenance reserve requirement by the Province of New Brunswick.

Our office building - Wesleyan Place - is fully leased and operates annually with a modest surplus. That portion of the building occupied by the district is free from property taxes. The Edgett Memorial Boardroom is seeing increased activity with the use of various district boards and affinity groups and is an excellent resource for the district leadership corps.

Because of previous surplus in our district health plan with Medavie Blue Cross across the last several years, the district will not require an increase in local church premiums beyond the 2012 rates until a modest increase after

seven years in January of 2019 which was communicated in more detail in a May 2018 memo to all Lead Pastors. In addition, there remains a healthy district reserve to address future health care exigencies as may be needed for our pastoral families.

Note: The WIF loan contains residue balances from several projects including Heritage Hall, Centennial Park, River Haven, Wesleyan Place and the Tabernacle expansion. However, by far the largest component in this balance is the funding of the state-of-the-art wastewater system.

The year-end fiscal position of the Atlantic District continues to be a stable foundation for our immediate future as we seek God for wisdom to invest these resources in the advancement of His Kingdom. The highest ever USF payment rate given by you this year is a tangible expression for His glory that we are in fact stronger together in how our shared mission and values transform lives, communities, and churches through the hope and holiness of Jesus Christ -

Thank you!
