Rev. Arnold Stairs

He has been a trailblazer of "firsts" in our Atlantic District Tribe. Rev. Arnold Stairs was the first graduate in 1948 of our fledgling Bible College in Woodstock (the Holiness Bible Institute now Kingswood University in Sussex). And on July 12, 2019 he became the first-ever 70-year Ordained Minister in our 131 year history. And what a celebration it was to honour him in that Ordination Service along with two 50-year Ordained Ministers (Rev. Wayne Blinn & Rev. Wayne Briggs) and two 60-year Ordained Ministers (Rev. John McElhinney & Rev. Fred Whittey). Best of all, it was a day to witness the Examination and Act of Ordination of seven Ordinands who joined our ranks. Only God knows how many of them may be honoured in 2089!

Atlantic District of The Wesleyan Church Standing Rules

A. Principles

- The ministers and lay persons of the Atlantic District are and shall continue to be committed to holy living and heart purity. Only those actions and attitudes that speak the mind of Christ should be evidenced among us.
- 2. The ministers and lay persons of the Atlantic District are and shall continue to be committed to a spirit of unity and brotherhood that, in the spirit of Christ, transcends the consideration of personal bias based on history, geography, or tradition.
- The ministers and lay persons of the Atlantic District are and shall continue to be committed to Kingdom building through evangelism and discipleship. Our program and budgets shall reflect our high priority to winning the lost and discipling new converts.

B. District Conference Matters

For a more complete overview of the duties and powers of the district conference, please see paragraphs 1075-1180 in *The Discipline (2016) of The Wesleyan Church*.

- 1. The Atlantic District fiscal year shall be from May 1 to April 30.
- 2. Local churches are encouraged to give reasonable financial assistance to their delegates and pastor when representing them at annual conference sessions.
- 3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) Members-at-Large. In electing Members-at-Large, while being free to vote for any nominee, the conference delegates shall be requested to consider election so as to provide for provincial/ state representation and lay/clergy parity according to the following formula which reflects our relative strength within each geographic entity.

Maine 1 lay and 1 clergy New Brunswick 2 lay and 2 clergy

Nova Scotia/Newfoundland & Labrador/Prince Edward Island

1 lay and 1 clergy

 District Board of Administration Staggered Terms and for Membersat-Large

All Members-at-Large shall be elected for three-year terms. Incumbents may succeed themselves at the conclusion of a three-year term if nominated and elected. Should a vacancy occur during any three-year term, such vacancy shall be filled by the DBA in accordance with existing provisions of *The Discipline*.

5. Camp Board

The Camp Board shall consist of membership both full and honourary as appointed by the DBA upon the recommendation of the District Superintendent who shall serve as Chair or appoint another to do so. The DBA shall determine the structure and scope of authority of this advisory board.

6. Officer and Department Head Elections

The District Conference shall elect only those officers and boards as required by The Discipline or the District with the District Board of Administration authorized to fill all other positions. (The District Conference will elect the District Superintendent, District Secretary, District Treasurer, District Board of Administration Members-at-Large, National Conference and General Conference delegates.)

7. Year Fnd Fund Transfers

The strength and interdependence of our various district ministries are both recognized and celebrated. At the conclusion of each fiscal year, funds will be transferred upon the recommendation of the District Superintendent and ratified by the DBA, that will maximize our Kingdom impact, contribute to ministry stability and consider our historic camping ministries and the twin priorities of church planting and church health.

C. District Ministerial Matters

- 1. All ministers of the Atlantic District are expected to attend the District Conference, the Ordination Service, and the annual Ministerial Convention. Satisfactory reason for any absence shall be provided to the District Superintendent.
- 2. All ministers are expected to support the district camping program and to share in the work of the camp(s) as assigned.
- 3. Each pastor when leaving a church, will provide for the incoming pastor a data base/information packet containing information as full and complete as possible on the pastoral charge.

D. Local Church and Pastoral Matters

For a more complete overview of pastoral responsibilities and local board of administration duties, please see paragraphs 750-782 in *The Discipline of The Wesleyan Church (2016)*.

- Pastoral recall votes shall be routinely conducted during the first two weeks of March. The meeting for an initial pastoral call will routinely be conducted anytime after the middle of March. Any pastor wishing to announce a resignation prior to March 1 may do so only after receiving the approval of the District Superintendent.
- 2. The tenure of an outgoing pastor shall end on the second Sunday in July and the pastoral change shall routinely take place on the following Monday.
- 3. Churches calling a new pastor shall pay moving expenses and related costs such as immigration expenses and travel.
- 4. Each pastor shall be entitled to a minimum vacation per year with pay in accordance with years of service in the ministry according to the following formula:
 - 1 5 years service 14 days not to exceed 2 Sundays
 - 6 10 years service 21 days not to exceed 3 Sundays
 - 11+ years of service 28 days not to exceed 4 Sundays

Any year of service for which a pastor is entitled to vacation is calculated from the anniversary date of the first Sunday of employment. Vacation time is fully earned upon completion of each

year of service. If a pastor leaves a church prior to the anniversary date, vacation will be given on a pro-rata basis. When a pastor leaves a church at the customary time of pastoral change, the church he/she has been serving is responsible for vacation time for that conference year. No church should at any time be expected to provide vacation time in the same year for both an outgoing and incoming pastor.

- 5. Up to ten days including one Sunday per year are available to staff, solo and lead pastors for conference attendance, professional development, and shared ministry experience. Staff pastors must have the approval of their lead pastor and solo and lead pastors must confer with their LBA. These are to be considered minimums and may be increased by local leadership as deemed appropriate.
- 6. Pastors should inform the vice-chair of the local board of administration of any plans to be absent from the pastoral charge for more than three consecutive days.

7. Sabbatical Leave:

- a. A sabbatical leave, with pay, of up to 30 consecutive days not to include more than four Sundays, and in addition to regular vacation is available to any solo or senior pastor after completing seven years of ministry or any multiple thereof in the current place of appointment.
- b. The specific timing of the sabbatical leave must be mutually agreed upon between the pastor and the LBA in consultation with the District Superintendent.
- c. The church is responsible for any cost incurred in filling the pulpit during the sabbatical leave.
- d. The pastor is responsible to spend a significant portion of the sabbatical leave involved in a learning experience either formal or informal. The details of the learning experience component of the sabbatical leave are to be provided by the pastor to the LBA and District Superintendent when the dates of the sabbatical leave are being set.
- e. The pastor is responsible to file a report of the learning experience component of the sabbatical leave with the LBA and District Superintendent upon completion of said leave.

- f. If the learning experience component is in a formal setting, the LBA is requested to give consideration to assisting the pastor in the cost of attending such.
- g. If the learning experience component is an informal one to be pursued in a retreat setting, the Atlantic District will make accommodations at Beulah Camp available at no cost to the pastor during the sabbatical leave, subject to prior bookings. This could include Footloose, Mitchell House, Hotel or Heritage Hall year round.
- The LBA of any church having long-term staff pastors are encouraged to consider a sabbatical leave for such staff pastors in harmony with the general provisions of this resolution.

Other Business:

Rev. Peter T. Moore extended a point of privilege to Rev. AJ Thomas of Deep Water, Halifax, NS. Rev. AJ Thomas presented a resolution to the 2019 District Conference on District Structural Analyses and Recommendation for growth in Atlantic District Churches. The Resolution was permittable meeting the requirements under the provision of the 2016 Discipline of The Wesleyan Church, Chapter 2 – District Conference, D. Organization and Procedure, 3. Resolutions and Section 1150.

The Resolution was read to the Conference Delegates by Rev. AJ Thomas.

Resolution: District Structural Analyses and Recommendation Resolution

Whereas, 76% of our churches have a 3-year trend of attendance plateau of decline, and

Whereas, most District wide statistics that are positive including attendance and baptism are driven by the numbers of a few outlier churches that mask an underlying trend toward decline, and

Whereas, these trends have been more or less true under various District Superintendent's and District Boards, and

Whereas, it is axiomatic that every system is perfectly designed to give you the results it gets and that if we keep doing what we've always done, we'll keep getting what we've always gotten;

Be it resolved that this District Conference shall appoint a 4-person working

group to consist of some of our most demonstrably effective local church leaders to do a thorough evaluation of our current District structure and to develop a comprehensive plan for restructuring the District for greater effectiveness and growth,

And that this working group bring a full report, including specific, actionable recommendations, to be presented to the District Conference next year for discussion and potential adoption,

And that the members of this working group be selected by this District Conference, before the rise of this District Conference.

Respectively submitted,

Rev. AJ Thomas – Deep Water Church, Halifax, NS Rev. Brent Ingersoll – Kings Church, Quispamsis, NB Rev. AJ Plazier – Yarmouth Wesleyan Church, Yarmouth, NS

Following some discussion by Conference Delegates, it was motioned by Rev. Jacob Ebbett to propose an amendment to the Resolution by adjusting the 4-person team to a 6-person team with three representatives from large churches and three from small churches. Rev. Ebbett received support for the amendment.

The Chair called for a voice vote on the amendment.

The motion to amend was not carried.

There was further discussion on the original Resolution with a Substitute Motion by Rev. Dr. Laurence Mullen to refer the original Resolution to the District Board of Administration; giving the DBA full authority to act accordingly and promptly on the Original Resolution submitted by Rev. AJ Thomas, Rev. Brent Ingersoll and Rev. AJ Plaizier.

There was support from the 2019 Conference for the Substitute Motion.

An amendment to the Substitute Motion was proposed by a Conference Delegate to request the DBA submit names of the 4-person working group to the Atlantic District within one-month of the 2019 District Conference.

There was support for the motion.

The amendment to the Substitute Motion was not carried.

After some discussion on the Substitute Motion by Dr. Mullen, the Chair called for a voice vote.

The Substitute Motion was carried by voice vote.

Adjournment:

Rev. Peter Moore adjourned the 131st Atlantic District Conference at 5 pm with Rev. Dan Lamos praying for Pastor Joanne Ozon of Hope Wesleyan Church in Shelburne, Nova Scotia. Pastor Ozon recently was diagnosed with cancer in her back.

Respectfully submitted,

Rev. Scott N. Prime District Secretary

District Superintendent's Report

The future of *The Church* rises or falls on the answer to one question:

Are we making disciples who make disciples?

As James Emery White poignantly states, "The *Great Commission* is not the *Small Suggestion*." And our answer to that preeminent question is expressed in the things that matter most – our *Exploration Essentials* – the core values of the Atlantic District.

Last summer we launched our six core values and now the work begins as this year we have taken a hard look - at where we are strong, or *falling short*, and what we need to do about it - as we lean into a God-sized values-driven vision in the horizon storyline of our future. Over the winter months the DBA and our six DS Zone Dialogs engaged in a variety of robust exercises to explore how God was guiding through the collective discernment of our leaders. Thank you for the near 100% participation of our churches. This was optional and you showed up in strength and engaged with heart further proving that we are stronger together. This resulted in a DBA approved values-driven vision that will inform the *next five years* of our focus. This includes a four-fold sequential strategy to...

First - Renew Discipleship Pathways (more on that later)

Second - Refocus Pathway Onramps (Evangelism front-end / Launchable Leaders back-end)

Third - Reimagine Multiplication at Home

Fourth - Recalibrate Global Partnerships

Why does this matter? Because we believe God is calling us to Unleash a **Kingdom Force** for unprecedented **Spiritual Invasion** into and out of the Atlantic region! The exact details of what you have just heard and what we will term the **2025 Horizon Storyline** will be fully unpacked this October in another series of DS Zone Dialogs.

Before we review what is coming this first year of our *2025 Horizon Storyline* to *renew discipleship pathways*, let's look back on this past year for just a few minutes to celebrate the noteworthy highlights.

Camp Ministry continues to be a shining point of Kingdom impact, including the excellent report in your materials from Riverside. Special thanks to Interim Overseers Steve Bradley for Beulah and Brian Murray for Caton's Island. Numbers are up and the future is bright as we are enjoying the 125th Anniversary of this historic campground. We are grateful for the leadership

of Caretaker Bruce Cheney and Conference Coordinator Doug Tatton. Caton's Island continues to have record registration and the Choate Dining Hall Expansion project is well underway with more than \$230K in donations received to date. [Phase One was fully funded with a cash offering on the second weekend of Beulah Family Camp of nearly \$24K!] This will provide the capacity to feed more than 420 people per meal and *exponentially* raises the capacity lid for the future of reaching students for Christ. This is the final cornerstone capital project of Director Dean Stephenson's long-term vision and is worthy of your church's consideration for financial support as we prepare for Phase Two in 2020.

Maximizing Impact Teams served four of our churches this year including Cornerstone, Maple Ridge, and the merger process for Beals Island & Jonesport. Approximately 1/3 of our district churches now have engaged this consulting tool for revitalization. For the coming calendar year, we will be pressing pause on this ministry to give all churches greater latitude to engage in our strategic vision to renew discipleship pathways. As we continue to elevate the core value of being contextually effective in the future, we will seize the opportunity this coming year gives to evaluate and potentially recalibrate Maximizing Impact Teams moving forward in 2021.

More of our churches this year posted gains than losses in attendance. Total primary worship average for the Atlantic District reached a new high in FY2019 of 9,425. I have arbitrarily chosen to define a plateauing church as one which has only nominal growth or decline in the +/- 3% margin. With this rubric for our statistics, we have approximately 1/3 each for churches that are declining, plateauing, or growing. And by that definition, our district is plateauing with a modest gain of nearly 2% - up 174 over last year.

The following 10 churches in descending order experienced net growth of at least 10 people: Kings (134), Deep Water (77), Moncton (45), Sussex (43), New Hope (32), Blacks Harbour & Woods Harbour (13), Saint John First (12), Amherst & Yarmouth (10).

In addition, the following 12 churches in descending order experienced net growth of at least 10%: Live Well (53%), Faith (36%), Sussex (22%), Blacks Harbour (20%), Deep Water, Miramichi & Port Maitland (17%), Woods Harbour (15%), New Hope (14%), Brazil Lake and Crystal (11%), & Amherst (10%).

Six of these churches are on both lists. As I announce them by name, I would ask that all delegates both clergy and lay from each church stand. Amherst, Blacks Harbour, Deep Water, New Hope, Sussex, & Woods Harbour. Brothers and sisters, we celebrate with you this significant year of Kingdom harvest

- thanks for leading the way in both headcount and percentage Kingdom growth. Let's encourage them Church!

This year saw the timely merger of Beals Island & Jonesport into one new congregation – *The Reach Wesleyan*. The leadership of our churches on both sides of the Moosabec Reach are to be commended for their sacrificial embrace of this long overdue consolidation of Kingdom resources for greater missional impact.

The prophetic words regarding The Wesleyan Church spoken by GS Emeritus Earle Wilson in the mid-90's have now become reality on the Atlantic District – we are actually reaching more people with fewer churches, but not necessarily fewer locations. We now have 51 churches (two less than last year) but celebrate the highest primary worship average in our history.

In addition to the Moosabec merger, a first-ever formal church adoption was courageously embraced by the leadership of two Halifax church families – Metro & Deep Water. Metro did not need to close and could have continued. Deep Water was not looking for an additional site to multiply as they already have a Dartmouth campus in their cross-hairs with the excellent hire of Matthew Thomas. Aaron Birtch and the Metro LBA are to be commended for the courage they had to ask a hard question.

What is the best way to strategically invest the resources of Metro to ultimately reach the most people in Beechville-Lakeside-Timberlea or the BLT suburb of Halifax? Should Metro stay the course or join forces? And so, the church family voted to close and join the multisite vision of AJ Thomas with LBA approved plans to launch a Deep Water BLT campus when the time is right, potentially as early as the fall of 2020. This may be the first adoption of its kind on the Atlantic District, but as God leads, I believe it is a sign of things to come and will not be the last.

One of the significant aspects of district life this year included two coaching cohorts with Dr. Ken Nash on best practices for launching satellite campuses. Ken is the Lead Pastor of Watermark Wesleyan Church (a church of about 2400) in Hamburg, NY. They have four satellites and are preparing to launch a fifth. We are thankful for the role model of his leadership and the wisdom of his experience which he is investing in eight of our district churches (plus a few other welcome Kingdom interlopers).

As Ken Nash says, "Launching satellites is not a vision, it is a *strategy* to fulfill your vision." The research of Todd Rhoades found only 10 churches in North America with satellites in 1990. This number grew to about 100 by 1998. By 2012, that number had exceeded 5000. That my friends, is what

you call a movement. And this movement first found expression on the Atlantic District through the vision of Tim Guptill in launching a Crosspoint satellite in Oromocto in 2009. Thanks Tim, for the courage and passion to lead the way and for your effective leadership of our merged congregations on Grand Manan at The Lighthouse. [Post Conference Editorial Note: While previous comment was well received and a deserving highlight, in actual fact it was Central Nova Wesleyan in Truro in the 1990's which launched the first Atlantic District satellite campus in Tatamagouche. This church is now named Connection, but the Central Nova name was strategically selected because of the vision at the time to become a regional multi-site church.]

This movement has continued to shape the strategy of our district as we have celebrated and learned from Brent Ingersoll's MOVE Campaign at Kings. Most recently, *this year* Scott Prime led New Hope to launch its first campus in Kingston. It has exceeded their expectations and we celebrate your leadership sir – well done. The baby bump of Deep Water and the Yarmouth-Woods Harbour partnership will yield Kingdom twins this fall in downtown Dartmouth and Barrington. There are other churches pregnant with satellite vision who walk among us.

Tim Long please stand. You and Julie were faithful to take on a challenging restart/revitalization in our partnership with the PAOC's as you now lead Live Well Community in Tiddville on the Digby Neck. And God is blessing your leadership by sending David Tysick and his fiancée Melissa Wamboldt to join your team. Less than two weeks ago, you conducted a preview service on Long Island in the neighbouring community of Tiverton. The total population west of Digby on the Neck is approximately 1700. But they see themselves not as one – but as distinct communities, and God has given you a vision to reach this corner of the vineyard. You have shared with those who gathered that you want to launch weekly services in the near future. Tim, how many people showed up for your dinner and preview service? 76 – incredible! It is a story that is unfolding – it is not yet told and if we have time this afternoon we may hear more from Tim about God's favour on this opportunity.

You see, the leadership of Metro faced off with an inconvenient truth. We all agree that the core mission we share from Christ's Commission is be making disciples who make disciples. But the hard truth is that deep down many of us as Kingdom leaders – both clergy and lay - wonder if this is actually what is happening in the church we lead. It's not that good things are not happening, it's just that we're not sure there is an effective plan in place to equip the saints as a disciple-making Kingdom force. Or worse, we are sure there is not one, and the lack of fruit-bearing paints the picture of a bleak future that should break our hearts because the eternity of the souls in our community hangs in the balance.

And so, most of all this year – we celebrate 1029 reported salvation decisions and 418 baptisms. Why is all this important? Because every number has a name and every name has a story and every story matters in eternity. Nothing is more important in our core value of spiritual foundations than this. To underscore this truth, let's listen to the baptism testimony of just one of those people who were saved and baptized this year.

Baptism Testimony Video (2:30)

Are we making disciples who make disciples? There is no bigger "WHY" to fuel our passion in the mission we share.

We value contextual effectiveness. The other five values are outlined in booklet in your delegate packet and an in-depth description is available on www.atlanticdistrict.com – Let's stand together and read this essential value of our Kingdom exploration as a district...

"Cut Yourself Loose" (contextual effectiveness)

Every context requires a different tool for the job. We seek to equip every servant leader to courageously give their best in every place of service for our shared mission – making disciples. We reject the one-size-fits-all notion of popular methodologies and cookie-cutter measurements for effectiveness by recognizing what it means for the Kingdom to win in every context with every leader.

And the bullseye of this Exploration Essential is simply this: Are we leading our churches to be communities of faith where disciples are made who in turn make disciples? And while we celebrate the numbers related to growth, we also know that just because a church is growing does not necessarily mean it has a clear plan to make disciples. Francis Chan said it best, "Our greatest fear should not be of failure but of succeeding at things in life that don't really matter."

This is why the first focus in our *2025 Horizon Storyline* is to **renew our local church discipleship pathways**. Everything you are about to hear will be sent to our entire leadership corps in a post-Beulah communication. This coming year, we will align our gatherings and resources around this singular focus. Our goal is that at least 80% of Atlantic District churches will roll-out a renewed discipleship pathway during the fall of 2020. How is this going to happen?

You have all received a copy of Daniel Im's book, *No Silver Bullet* which provides an excellent framework as we seek to renew discipleship pathways. I am asking all pastors to read this before our DS Zone Dialogs in October.

In addition, 10 of our churches have already agreed to participate in a Leadership Cohort exploring the principles and questions each congregation must contextualize to have an effective discipleship pathway. If you are one of the pastors recruited from these10 churches participating in this sixmonth cohort please stand. Jon Wiest will be leading this cohort and you will hear from him in just a moment. Time does not permit a full overview of his Kingdom credentials to serve us in this area, but our credentialled ministers will all have an opportunity to engage with Jon's material after he comes to serve as our Keynote at District Ministerial in January at the Saint John Delta. Let's take a moment to meet Jon and hear his heart for our district journey. Please direct your attention to the screen.

Jon Wiest Greeting Video (2:30)

At our District Ministerial you will have an opportunity to consider engaging in this resource to *renew the discipleship pathway* of your local church by joining an identical six-month cohort beginning in February with one of the 10 leaders who have completed the first cohort this fall. And then in the fall of 2020 we will celebrate the launch of *renewed discipleship pathways* across our district. This will lead into the next phase of our *2025 Horizon Storyline*.

As previously stated, a detailed post-Beulah email will outline all of this information. This report has only included a snapshot of what is ahead on the immediate horizon, with rearview noteworthy reflections from this past year.

As this report concludes, there are two additional comments I would be remiss to omit. First, our district family gathered on two significant occasions to pay our respects and celebrate the Kingdom influence this side of glory for two very special saints – Rev. Jack MacKenzie and Mrs. Kay Ingersoll. Our godly and highly esteemed brother and sister have both lived lives worthy of the calling they received and modeled what ministry can be when we embrace the truth of The Gospel and the power of the Holy Spirit.

It was A.W. Tozer who said, "Come near to the holy men and women of the past and you will soon feel the heat of their desire after God. They mourned for Him, they prayed and wrestled and sought for Him day and night, in season and out, and when they found Him, the finding was all the sweeter for the long seeking." Thank you, Kay & Jack, for adding to our spiritual foundations and for giving us trusted shoulders upon which to stand for the days ahead.

And finally – a word of appreciation. Karrilee Bremner, would you please join me up here? First to my Assistant DS – AJ Plaizier – your candid and wise counsel is invaluable to me, to our excellent DBA, to our esteemed DS Emeritus, Dr. HC (AKA Dr. Emeritus), and most of all to my wife, Ellen, who makes our home and family a vibrant part of life as our first and greatest ministry.

(To Karrilee...) The Kingdom leader who now stands before you, is unequalled by any who have served our district leadership support teams in the history of the Atlantic District. This January 4th marked 20 years of service in what has evolved to become our Executive Administrator position.

Mrs. Karrilee Bremner, I say it all the time – you are the "secret sauce" of the Atlantic District. On any given week your Kingdom output easily exceeds the average workload of two others. And you do it with a genuine and cheerful spirit of service that is contagious. One of the very best parts of my job, is that I get to spend my days in the office from this professional church shopping assignment – serving our tribe with you. And so, to honour you, the DBA felt something extraordinary was in order, so it is my pleasure to present to you the equivalent of a Caribbean Cruise for two [The Conference gave a sustained standing ovation.]

It is my great privilege and high honour to serve as your District Superintendent. I don't fully understand why God has opened the door for me to steward this office, but I am grateful not only for His promised strength to equip those He calls, but I am indebted to the collective wisdom of serving alongside incredible leaders all across our district. But as much as I believe in you and admire your amazing giftings, finely tuned ministry skills, and in some cases exceptional Kingdom results – most of all, I am thankful that it is Christ who is the Head of The Church. I leave you with this word from Psalm 44:3. It is both a promise and an admonition over which I have been meditating and praying for this next season in our district, "For not by their own sword did they win the land, nor did their own arm save them, but your right hand and your arm, and the light of your face, for you delighted in them."

Respectfully submitted,

Rev. Peter T. Moore

Assistant District Superintendent's Report

Each year I serve along side Peter I feel I get to know him better and hear more of his heart for the district and those we reach for Jesus. Beyond the planning and vision work, it has been an honour to share in praying and interceding for the district.

I have sought to be available for conversations, debates, and prayer - whether in person or digitally - as needed by the DS.

It has been an honour and a privilege to serve beside our District Superintendent and with our DBA.

Riverside Director Report

Riverside 2018 was again an excellent year for Riverside Camp. I want to thank all the many volunteers who gave so many hours to improve our camping experience. The last few years have seen a significant jump in our camper numbers and the spiritual impact has been powerful. The impact on our area churches has been noticeable and we are planning for another good camping season.

This past winter Riverside lost a great friend in Gary Drake. Most of you would have no idea who Gary is as he found Christ just seven short years ago. In the last five years he discovered Riverside and it became his passion as he invested hundreds of hours in helping us totally facelift our facilities. Gary had experience and skills in almost any area of need for our facilities, some of those needs serious enough that they threatened Riverside's very existence. Because of Gary's commitment and determination and the generosity of some of his like-minded friends we were able to make many positive changes that would have cost us well over \$100,000. I mention this because I know Beulah and Caton's have their "Garys" as well. Those of you that are the servant hearts behind our camps are an amazing gift to our ministries. Gary was a relatively new Christian who found Jesus in the midst of grieving the loss of his wife and God gave him 160 kids and teens for a family. I tell this story because it is the same story that repeats itself in successful camping programs year after year. Besides, I know stats are boring and you probably will not pay much attention to them!

We did have approximately 160 campers for our 2018 camping season. More importantly we had a move of the Holy Spirit that produced incredible fruit. Riverside has always experienced deep spiritual impact but we want to register with you that God did a work last year that left some of our workers speechless. It was powerful to see our campers in our kid's camp overwhelmed by the Spirit's presence weeping and praying over each other. We celebrate the amazing ministry of Caton's and Beulah and are thrilled at their continued ministry impact, but are so grateful that Riverside continues to impact the border churches in Carleton and Aroostook Counties.

This will be a challenging year as we need to spend \$30,000 to replace our pool, something that will occur as soon as our present camping season ends. The praise is that we have sufficient funds on hand to accomplish that and not need to borrow. Riverside operates on a very conservative budget but we continue to celebrate God's very liberal blessings of fruitful ministry and kingdom results. Generous support from both sides of the border have allowed us to do many projects that will keep our facilities in top shape for years to come. We have a few major projects left to complete, such as

levelling and seeding an activities field generously given to us by Ralph & Norine Sabine and family. God just seems to provide at just the right time.

Camp dates this year are July 8-12 Children's Camp, July 14-20 Senior High, July 21-27 Junior High, followed by family camp starting Sunday, July 28 through Wednesday, July 31. Please come and join us.

District Director of Global Partners

Thank you for the privilege of being able to serve again this year as your District Director of Global Partners.

This year I have continued to maintain the GP Atlantic Website as a central point for accessing information about our various Atlantic District Missionaries.

I have been in communication with the majority of our mission personnel from the District. My desire is to be able to serve as their liaison as needed on the district.

It is exciting to be a part of the district that sends more missionaries than any other district in the denomination.

This year I have represented the Atlantic District on the Global Partners Reenvision committee. This working group is visualizing what Global Partners will look like in the near future and how we can best leverage our resources to fulfil our vision of "Everywhere to Everywhere".

I have worked with George Pryor, the DDGP of Central Canada, to bring a document to the DBAs of both districts and the national church on best practices for promoting Global Partners in the Canadian National Conference.

I am always encouraged by the number of local churches around our district who send teams to countries around the world. This represents literally hundreds of volunteers raising their own funds and often giving up vacation time to serve people they have never met before and will probably never meet again, all to impact the Kingdom.

GP-Atlantic would love to partner with local churches in the adventure, if you are planning a short-term trip this year please contact me. We can provide resources as well as promote your trip through GPAtlantic.ca.

A reminder that all local church short term trips should be registered with Global Partners. There are resources available from GP and more importantly it provides another layer of protection for those from our churches who are travelling overseas.

I look forward to continuing to serve both the district and our GP personnel in this capacity.

District Director of Children's Ministries

Children's Ministry Leaders gathered during Beulah Camp 2018 for an afternoon of connecting, sharing resource ideas, and encouraging one another. Connecting together as leaders is never a waste of time! God is moving and working in the lives of our Kids Ministry leaders across the District.

Online ministry resources and ideas are shared on the Atlantic District Children's Ministry Facebook page. Leaders participated in online conferences (Orange, Children's Pastors' Conference and INCM), and partnered with other Churches to share ideas and resources.

On-site ministry training was provided through NEXT19 on April 6 in Halifax NS. This was our 2nd Wesleyan/Baptist partnership that brought leaders together for a day of training, equipping and encouragement. Thank you to the Atlantic District for providing a coupon discount to all Wesleyans attending this conference. Stay tuned for more info concerning NEXT20. Thank you to the pastors and leaders who willingly host a District Huddle in your local church. For more information on hosting in 2020, contact Linda Lamos at linda.lamos@kingschurch.cc.

District Director of Youth

This year marked a change of leadership in the District Youth Leadership and a move to a Co-Leadership mode. Many thanks to Dave Rowe for his past leadership in this area. Martin and I are looking forward to continuing to work together to bless the youth and youth leadership of our district. We want to give a huge shout out to all the amazing youth workers serving on frontlines around the district, as well as all those amazing volunteers who make it happen and invest in the lives of young people.

BEULAH FAMILY CAMP: Family camp was an amazing time in 2018. Led by our former DYP, Dave Rowe, we had a fantastic fun filled week. The highlights of the week were the morning services led by the Encounter worship team. These services were an opportunity for our students to hear from God's word and worship through music. I (Martin) was thrilled to be a part of this and look forward to leading the week this year.

FUEL: Both of us travelled to Cincinatti this winter to participate in the Fuel conference, a conference dedicated to empowering and educating youth leaders. We heard some excellent speakers and had some intriguing breakout sessions that we can now bring back and pour ino the district. We are better youth leaders because of this conference and hope to bring a larger team with us this upcoming year!

ENCOUNTER RALLY AT KINGSWOOD UNIVERSITY: This was once again a great highlight of the year. This 24-hour intensive youth event encourages students to discover God's direction for their future and helps them explore His call on their lives. I (Drew) had the opportunity to assist KU by leading the Youth Leaders lunch and it was a great time to connect across the district. It is always a highlight of the year for youth leaders and I look forward to being more plugged in with my new role at KU this coming year.

ONE CONFERENCE: The second year of this great event built on the success of the previous year and I (Drew) have been a part of the planning team for both events. The team running this event is professional, efficient and incredibly well led and pioneered by our own Andy Broad (Kings Church) and Renee Embree (Director of Youth & Family Ministries at Canadian Baptists of Atlantic Canada).

ONE 2019 by the numbers: 3057 registered participants who were made up of... 1099 middle school students, 1164 high school students and 794 leaders. Plus we also had... 80 volunteers; 15 partner organizations; 24 ONE Team Members and their Interns; 3 CBOQ Youth exchange leaders; 2 First Aiders;

9 Denominations represented: Baptists (of various stripes), Wesleyan, Pentecostal, Independent, Christ Church, Anglican, Nazarene, Disciples of Christ and Presbyterian. Plus, a Camp and a Christian school!

\$6626.20 was raised by ONE to launch our ONE Mission and help partner with a church & community in El Salvador to (a) build latrines through Ready to be Sent (b) sponsor kids through Compassion Canada and (c) send a ONE team through Ready to be Sent in 2020.

ALL united under ONE God as ONE Church on ONE Mission. Mark the date for ONE CON 20 on May 22/23. This is a must attend event.

LOOKING AHEAD: We are both looking forward to another great year of Family Camp with effective youth ministry and are planning to create some helpful training opportunities for our leaders and volunteers this coming year. It is an honour to serve in this way and we ask for your continued prayer for our youth and youth leaders.

2019 Atlantic District Fiscal Year-End Overview

The overview that follows provides a snapshot of our district financial position at the end of FY2019. The detailed report has been reviewed and approved by the DBA. Our fiscal statements have been reviewed by Turnbull & Kindred Chartered Professional Accountants of Sussex, NB.

Several years ago, the district began presenting this summary overview to the district conference which has been very well received. Detailed copies of the financial statements are available at the district office for any delegate upon request. In keeping with this new format of presentation, the full multi-page report of profit/loss and balance statements will appear in the District Journal published on or before August 31st. This will be the final year with multiple balance sheets as Turnbull & Kindred worked with our district office during this fiscal year to consolidate our five companies and two bank accounts into three classes and one general ledger with one account effective May 1, 2019, at the beginning of the current fiscal year. This improvement in our accounting was made possible by software advances not previously available.

Noteworthy Highlights

- 1. As we are all aware, the district was able to entirely underwrite The Gathering registration cost for credentialed Atlantic Ministers appointed to a local church. This totaled approximately \$60K and resulted in a huge increase in district participation from four years ago with over 100 Atlantic ministers and spouses of the 1900+ registered attendees.
- 2. USF collection included several churches who not only paid their current year assessment, but who also committed to catch up their previous year's deficit. This is appreciated and makes an enormous difference in the district's capacity to invest in raising leaders through events like The Gathering, and in Kingdom multiplication through leaders like Ken Nash (who is coaching satellite expansion) and conferences like Exponential.
- 3. The flow of funds through the district office during the year for all purposes exceeded \$3.55M. It should also be noted that the USF for FY2020 included in the District Conference represent a decrease of more than \$33K distributed among churches with assessable income exceeding a half million dollars the majority of which remaining for Kingdom investment by Moncton and Kings. This is a continued result of the action of the 2017 District Conference to lower the assessment rate beyond denominational guidelines by an additional 1% between \$500K and \$1M and a further 2% above 1\$M.
- 4. Beulah and Caton's Island had a combined income of more than \$1.34M

- and the district operating fund processed nearly \$2.2M.
- 5. Total district giving to Global Partners was over \$559K. This investment represents partnership with 15 projects and 44 missionaries in 27 countries. Would the pastors and delegates of these top five churches listed in the order of total dollars given please stand this year they were Moncton, Cornerstone, Crosspoint, Yarmouth, and Hillside.

As indicated above, the vast majority of pastors and churches participated very responsibly in meeting their USF assessment and did so in addition to the generosity reflected in giving to Global Partners, church multiplication, camp ministry, and World Hope International – Canada. Special recognition is due to the following churches and their Lead Pastors for making 100% this year AND paying the remainder of what was owing for last year! Please would the pastor and delegates please stand for Live Well (Tim Long), Coastal (David Zigler), Hope (Joanne Ozon), and Shawna Rogers (River Valley). Above and beyond – thank you for expressing the value that we are stronger together.

This year the district contributed \$83,000 to church multiplication, \$6,000 to Kingswood University, \$15,000 for church revitalization initiatives, \$10,000 to auto reserve, \$5,000 to World Hope International – Canada, and \$5,000 to One Conference.

Beulah Camp and Conference Center and Caton's Island both operated in the black and for the second consecutive year both Beulah Camp and Caton's Island operations received no direct subsidy from district USF. In addition, Beulah Camp operations contributed \$10,000 to church multiplication and \$5,000 to revitalization initiatives. Beulah also for the first time met the requirement by the Province of New Brunswick to establish a total contingency reserve of \$50K for the wastewater system. This will allow for an accelerated investment in other much needed maintenance reserves in the years ahead.

Our Moncton office building - Wesleyan Place - is fully leased and operates annually with a modest surplus. That portion of the building occupied by the district is free from property taxes. The Edgett Memorial Boardroom continues to be an excellent resource for the various district boards and affinity groups.

This past year our Group Medavie Blue Cross plan required a modest premium increase to our local churches for the first time in seven years. In addition, there remains a healthy district reserve to address future health care exigencies as may be needed for our pastoral families.

Queen of the Quasquicentennial

As the cover of this year's Atlantic District Journal displays, 2019 marked the 125th Anniversary of Beulah Camp. The fancy term for this anniversary is a quasquicentennial.

We had some fun with this during Beulah Family Camp as we declared Vesta Mullen (pictured above) to be the Queen of the Quasquicentennial! Vesta has not missed a single Beulah Camp her entire life and this year was her 91st.

Her consort (the Rev. Dr. Laurence Mullen) is pictured below offering his annual Heritage Tour to about 75 who walked the campground hearing engaging nuggets of history highlighting the spiritual foundations of our district.
