Atlantic District of The Wesleyan Church Standing Rules

A. Principles

1. The ministers and lay persons of the Atlantic District are and shall continue to be committed to holy living and heart purity. Only those actions and attitudes that speak the mind of Christ should be evidenced among us.
2. The ministers and lay persons of the Atlantic District are and shall continue to be committed to a spirit of unity and brotherhood that, in the spirit of Christ, transcends the consideration of personal bias based on history, geography, or tradition.
3. The ministers and lay persons of the Atlantic District are and shall continue to be committed to Kingdom building through evangelism and discipleship. Our program and budgets shall reflect our high priority to winning the lost and discipling new converts.

B. District Conference Matters

For a more complete overview of the duties and powers of the district conference, please see paragraphs 1075-1180 in the *2016 Discipline of The Wesleyan Church*.

1. The Atlantic District fiscal year shall be from May 1 to April 30.
2. Local churches are encouraged to give reasonable financial assistance to their delegates and pastor when representing them at annual conference sessions.
3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) Members-at-Large. In electing Members-at-Large, while being free to vote for any nominee, the conference delegates shall be requested to consider election so as to provide for provincial/ state representation and lay/clergy parity according to the following formula which reflects our relative strength within each geographic entity.

Maine	1 lay and 1 clergy
New Brunswick	2 lay and 2 clergy
Nova Scotia/Newfoundland & Labrador/Prince Edward Island	1 lay and 1 clergy

4. District Board of Administration Staggered Terms and for Members-at-Large

All Members-at-Large shall be elected for three-year terms. Incumbents may succeed themselves at the conclusion of a three-year term if nominated and elected. Should a vacancy occur during any three-year term, such vacancy shall be filled by the DBA in accordance with existing provisions of *The Discipline*.

5. Camp Board

The Camp Board shall consist of membership both full and honorary as appointed by the DBA upon the recommendation of the District Superintendent who shall serve as Chair or appoint another to do so. The DBA shall determine the structure and scope of authority of this advisory board.

6. Officer and Department Head Elections

The District Conference shall elect only those officers and boards as required by The Discipline or the District with the District Board of Administration authorized to fill all other positions. (The District Conference will elect the District Superintendent, District Secretary, District Treasurer, District Board of Administration Members-at-Large, National Conference and General Conference delegates.)

7. Year End Fund Transfers

The strength and interdependence of our various district ministries are both recognized and celebrated. At the conclusion of each fiscal year, funds will be transferred upon the recommendation of the District Superintendent and ratified by the DBA, that will maximize our Kingdom impact as expressed in our core values and vision.

C. District Ministerial Matters

1. All ministers of the Atlantic District are expected to attend the District Conference and the Ordination Service. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent. All credentialed ministers appointed to local church service are strongly encouraged to attend Ministerial events. Lay staff in pastoral roles are also welcome to attend. Lead Pastors are expected to attend or to designate a credentialed staff member to represent the church.
2. All credentialed ministers appointed to a local church are expected to support the district camping program and to share in the work of the camp(s) as assigned. A cap of four credentialed ministers will be required per church but all will be welcome to serve at the discretion of the Lead Pastor. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent.
3. Each pastor when leaving a church, will provide for the incoming pastor a data base/information packet containing information as full and complete as possible on the pastoral charge.

D. Local Church and Pastoral Matters

For a more complete overview of pastoral responsibilities and local board of administration duties, please see paragraphs 750-782 in *The Discipline of The Wesleyan Church (2016)*.

1. Pastoral recall votes shall be routinely conducted during the first two weeks of March. The meeting for an initial pastoral call will routinely be conducted anytime after the middle of March. Any pastor wishing to announce a resignation prior to March 1 may do so only after receiving the approval of the District Superintendent.
2. The tenure of an outgoing pastor shall end on the second Sunday in July and the pastoral change shall routinely take place on the following Monday.
3. Churches calling a new pastor shall pay moving expenses and related costs such as immigration expenses and travel.
4. Each pastor shall be entitled to a minimum vacation per year with pay in accordance with years of service in the ministry according to the following formula:

- 1 - 5 years service – 14 days not to exceed 2 Sundays
- 6 - 10 years service – 21 days not to exceed 3 Sundays
- 11+ years of service – 28 days not to exceed 4 Sundays

Any year of service for which a pastor is entitled to vacation is calculated from the anniversary date of the first Sunday of employment. Vacation time is fully earned upon completion of each year of service. If a pastor leaves a church prior to the anniversary date, vacation will be given on a pro-rata basis. When a pastor leaves a church at the customary time of pastoral change, the church he/she has been serving is responsible for vacation time for that conference year. No church should at any time be expected to provide vacation time in the same year for both an outgoing and incoming pastor.

5. Up to ten days including one Sunday per year are available to staff, solo and lead pastors for conference attendance, professional development, and shared ministry experience. Staff pastors must have the approval of their lead pastor and solo and lead pastors must confer with their LBA. These are to be considered minimums and may be increased by local leadership as deemed appropriate.
6. Pastors should inform the Vice-Chair of the Local Board of Administration of any plans to be absent from the pastoral charge for more than three consecutive days.
7. Sabbatical Leave:
 - a. A sabbatical leave, with pay, of up to 30 consecutive days not to include more than four Sundays, and in addition to regular vacation is available to any solo or senior pastor after completing seven years of ministry or any multiple thereof in the current place of appointment.
 - b. The specific timing of the sabbatical leave must be mutually agreed upon between the pastor and the LBA in consultation with the District Superintendent.
 - c. The church is responsible for any cost incurred in filling the pulpit during the sabbatical leave.
 - d. The pastor is responsible to spend a significant portion of the sabbatical leave involved in a learning experience either

formal or informal. The details of the learning experience component of the sabbatical leave are to be provided by the pastor to the LBA and District Superintendent when the dates of the sabbatical leave are being set.

- e. The pastor is responsible to file a report of the learning experience component of the sabbatical leave with the LBA and District Superintendent upon completion of said leave.
- f. If the learning experience component is in a formal setting, the LBA is requested to give consideration to assisting the pastor in the cost of attending such.
- g. If the learning experience component is an informal one to be pursued in a retreat setting, the Atlantic District will make accommodations at Beulah Camp available at no cost to the pastor during the sabbatical leave, subject to prior bookings.
- h. The LBA of any church having long-term staff pastors are encouraged to consider a sabbatical leave for such staff pastors in harmony with the general provisions of this resolution.
