Atlantic District of The Wesleyan Church Standing Rules

A. Principles

- The ministers and lay persons of the Atlantic District are and shall continue to be committed to holy living and heart purity. Only those actions and attitudes that speak the mind of Christ should be evidenced among us.
- 2. The ministers and lay persons of the Atlantic District are and shall continue to be committed to a spirit of unity and brotherhood that, in the spirit of Christ, transcends the consideration of personal bias based on history, geography, or tradition.
- 3. The ministers and lay persons of the Atlantic District are and shall continue to be committed to Kingdom building through evangelism and discipleship. Our program and budgets shall reflect our high priority to winning the lost and discipling new converts.

B. District Conference Matters

For a more complete overview of the duties and powers of the district conference, please see paragraphs 1075-1180 in *The Discipline of The Wesleyan Church (2022)*.

- 1. The Atlantic District fiscal year shall be from May 1 to April 30.
- 2. Local churches are encouraged to give reasonable financial assistance to their delegates and pastor when representing them at annual conference sessions.
- 3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) Members-at-Large. In electing Members-at-Large, while being free to vote for any nominee, the conference delegates shall be requested to consider election so as to provide for provincial/ state representation and lay/clergy parity according to the following formula which reflects our relative strength within each geographic entity.

Maine 1 lay and 1 clergy New Brunswick 2 lay and 2 clergy

Nova Scotia/Newfoundland & Labrador/Prince Edward Island

1 lay and 1 clergy

 District Board of Administration Staggered Terms and for Membersat-Large

All Members-at-Large shall be elected for three-year terms. Incumbents may succeed themselves at the conclusion of a three-year term if nominated and elected. Should a vacancy occur during any three-year term, such vacancy shall be filled by the DBA in accordance with existing provisions of *The Discipline*.

5. Camp Board

The Camp Board shall consist of membership both full and honourary as appointed by the DBA upon the recommendation of the District Superintendent who shall serve as Chair or appoint another to do so. The DBA shall determine the structure and scope of authority of this advisory board.

6. Officer and Department Head Elections

The District Conference shall elect only those officers and boards as required by The Discipline or the District with the District Board of Administration authorized to fill all other positions. (The District Conference will elect the District Superintendent, District Secretary, District Treasurer, District Board of Administration Members-at-Large, National Conference and General Conference delegates.)

7. Year End Fund Transfers

The strength and interdependence of our various district ministries are both recognized and celebrated. At the conclusion of each fiscal year, funds will be transferred upon the recommendation of the District Superintendent and ratified by the DBA, that will maximize our Kingdom impact as expressed in our core values and vision.

C. District Ministerial Matters

- 1. All ministers of the Atlantic District are expected to attend the District Conference and the Ordination Service. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent. All credentialled ministers appointed to local church service are strongly encouraged to attend Ministerial events. Lay staff in pastoral roles are also welcome to attend. Lead Pastors are expected to attend or to designate a credentialled staff member to represent the church.
- 2. All credentialed ministers appointed to a local church are expected to support the district camping program and to share in the work of the camp(s) as assigned. A cap of four credentialled ministers will be required per church but all will be welcome to serve at the discretion of the Lead Pastor. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent.
- 3. Each pastor when leaving a church, will provide for the incoming pastor a data base/information packet containing information as full and complete as possible on the pastoral charge.

D. Local Church and Pastoral Matters

For a more complete overview of pastoral responsibilities and local board of administration duties, please see paragraphs 750-782 in *The Discipline of The Wesleyan Church (2022)*.

- Pastoral recall votes shall be routinely conducted during the first two weeks of March. The meeting for an initial pastoral call will routinely be conducted anytime after the middle of March. Any pastor wishing to announce a resignation prior to March 1 may do so only after receiving the approval of the District Superintendent.
- 2. The tenure of an outgoing pastor shall end on the second Sunday in July and the pastoral change shall routinely take place on the following Monday.
- 3. Churches calling a new pastor shall pay moving expenses and related costs such as immigration expenses and travel.
- 4. Each pastor shall be entitled to a minimum vacation per year with pay in accordance with years of service in the ministry according to

the following formula:

1 - 5 years service – 14 days not to exceed 2 Sundays

6 - 10 years service – 21 days not to exceed 3 Sundays

11+ years of service – 28 days not to exceed 4 Sundays

Any year of service for which a pastor is entitled to vacation is calculated from the anniversary date of the first Sunday of employment. Vacation time is fully earned upon completion of each year of service. If a pastor leaves a church prior to the anniversary date, vacation will be given on a pro-rata basis. When a pastor leaves a church at the customary time of pastoral change, the church he/she has been serving is responsible for vacation time for that conference year. No church should at any time be expected to provide vacation time in the same year for both an outgoing and incoming pastor.

- 5. Up to ten days including one Sunday per year are available to staff, solo and lead pastors for conference attendance, professional development, and shared ministry experience. Staff pastors must have the approval of their lead pastor and solo and lead pastors must confer with their LBA. These are to be considered minimums and may be increased by local leadership as deemed appropriate.
- 6. Pastors should inform the Vice-Chair of the Local Board of Administration of any plans to be absent from the pastoral charge for more than three consecutive days.

7. Sabbatical Leave:

- a. A sabbatical leave, with pay, of up to 30 consecutive days not to include more than four Sundays, and in addition to regular vacation is available to any solo or senior pastor after completing seven years of ministry or any multiple thereof in the current place of appointment.
- b. The specific timing of the sabbatical leave must be mutually agreed upon between the pastor and the LBA in consultation with the District Superintendent.
- c. The church is responsible for any cost incurred in filling the pulpit during the sabbatical leave.

- d. The pastor is responsible to spend a significant portion of the sabbatical leave involved in a learning experience either formal or informal. The details of the learning experience component of the sabbatical leave are to be provided by the pastor to the LBA and District Superintendent when the dates of the sabbatical leave are being set.
- e. The pastor is responsible to file a report of the learning experience component of the sabbatical leave with the LBA and District Superintendent upon completion of said leave.
- f. If the learning experience component is in a formal setting, the LBA is requested to give consideration to assisting the pastor in the cost of attending such.
- g. If the learning experience component is an informal one to be pursued in a retreat setting, the Atlantic District will make accommodations at Beulah Camp available at no cost to the pastor during the sabbatical leave, subject to prior bookings.
- The LBA of any church having long-term staff pastors are encouraged to consider a sabbatical leave for such staff pastors in harmony with the general provisions of this resolution.

Atlantic District of The Wesleyan Church 135th Annual Conference Day's Proceedings

The One Hundred and Thirty-fifth Conference of the Atlantic District of The Wesleyan Church convened in the Tabernacle of Beulah Camp, Browns Flat, New Brunswick, on July 13, 2023, at 9:00 A.M.

Welcome:

District Superintendent, Rev. Peter T. Moore, extended a warm welcome to all delegates attending the 135th Atlantic District Conference.

Rev. McCaila Andrews, Executive Pastor at Deep Water, opened the conference in prayer.

Call to Order:

The Conference Chair, Rev. Peter T. Moore, officially called the 135th Atlantic District Conference to order.

Roll Call:

Roll call for the Conference was taken by pre-registration. 140 Ministerial Delegates registered, along with 96 Lay Delegates, for a total of 236 Conference Delegates.

Organization Matters:

District Secretary, Rev. Denn Guptill, motioned the following organizational matters:

Mr. Chairman, I move the following:

1. That the Conference Bar be established as the first thirteen rows of the centre section in the Tabernacle, together with the platform area, multi-

media area and teller's tables to ensure all voting delegates have the opportunity to participate as the Conference requires, and

- 2. That the agenda circulated in the delegates' packets serve as the guide for the day's proceedings, and
- 3. That the sessions be governed by the hours of sitting as indicated in the agenda, and
- 4. That the Teller Committee consists of Jennifer White as Head Teller, along with other members of the Conference preselected by the Chair and Head Teller, and others that may be appointed by the Chair as required.

Support was given from the floor, and the *Motion was carried*.

District Board of Ministerial Development Annual Report:

The floor was given to Rev. Greg Hanson, the secretary of the DBMD.

The following four people were elected as Ordinands:

Samuel Prime, Sharon Simoneau, Jennifer White, and Sheryl York

Rev. Greg Hanson read the complete DBMD report. The report was received and approved by the Conference.

The Annual Service Reports for Ministers continue to be under review. The final report shall be filed with the DBMD Executive in September, with any pending action to be reported to the District Board of Administration in the fall (2023).

Dr. Stephen Elliott, National Superintendent of *The Wesleyan Church of Canada*, was introduced and brought remarks and greetings from the National Church.

District Superintendent Report:

The National Superintendent, Dr. Steve Elliott, invited Rev. Peter Moore to submit the District Superintendent's Annual Report, always a Conference highlight. The District Superintendent's report will be included in the 2023 District Journal.

Report accepted.

Assistant District Superintendent's Report:

Rev. Scott Prime, Assistant District Superintendent's report, was referenced as being in our delegate packages.

Report accepted.

District Treasurer's Report:

Rev. Sharon Guptill, District Treasurer, presented the Annual District Treasurer's Report providing a snapshot of the Atlantic District's financial position for the 2022-23 Fiscal Year. Highlights covered the District Operating Fund, Evangelism & Church Planting, Beulah Camp, Caton's Island, Global Partners, and Wesleyan Place.

Questions were asked and answered.

Conference delegates were also directed to the United Stewardship Fund (USF) Final Report from the 2022-23 Fiscal Year. The Conference was reminded that a complete financial report was available to any Delegate upon request at the Beulah District Office and would be included in the 2023 District Journal.

The District Treasurer's Report was adopted.

(The District Treasurer's Full Multi-Page Report will be included in the 2023 District Journal)

Election of District Board of Administration Members:

Rev. Moore presented the 2023 DBA Voting Ballot to the Conference Delegates.

The Ballot Nominees included the election of District Secretary (one-year term), District Treasurer (one-year term), one Clergy (three-year term) and one Layperson (three-year term) from the NL/NS/PE.

Election of the DBA Members proceeded according to The Atlantic District of The Wesleyan Churches Standing Rules, Section B, Numbers 3 & 4, Pages 25 & 26, as recorded in The Atlantic District Journal, 2022.

Rev. Peter Moore adjourned the Morning at 10:17 am.

Respectfully submitted,

Rev. Denn Guptill District Secretary

Atlantic District Superintendent Report

Atlantic District Superintendent Report 2023 - Rev. Peter T. Moore

Meductic. Very few of us in this historic Tabernacle today could find it on a map. Even fewer would know how to spell it. Unless, of course, you are a drummer and a fan of Sabian cymbals which have been headquartered there since 1981. Meductic. Centuries ago, it was an epicentre, the place to be if you were a somebody – the capital if you will – of the Maliseet First Nation.

Google Maps - Meductic: There & Back Again

As the proverbial crow flies it is just over 120 km upriver from where you now sit. The reported population of this village today is a whopping 198 souls. Browns Flat is a teeming metropolis compared to the Meductic of today. It is a Maliseet word that literally means "the end of the path." In the century in which it was first named, it was intended to mean something to the Maliseet people akin to the expression, "all roads lead to Rome." Meductic was where

you wanted your destination to end. It was a fortified place of strength, commerce, and importance – the center of the Maliseet Nation.

In the early spring of this year, I was driving between Fredericton and Woodstock and realized the district chariot needed a top up. The next exit was... you guessed it – Meductic! I had never been there before in my life but had heard about the Reformed Baptist Church that once served this community and the many Kingdom leaders raised and released coming from this small, out of the way village, at the end of the path so to speak. The older-style gas station required you to pay inside, and I asked the kindly-aged lady across the counter if she had ever heard of the church. Her eyes lit up. She smiled and declared she had attended there as a child before it closed, and mentioned that it had been torn down in the mid-90's. Here is what this little country stone church used to look like.

The Reformed Baptist Church of Meductic, New Brunswick

The tellers are now coming to distribute copies of testimonies gleaned from six among our Atlantic Tribe today who were directly influenced in their calling to Christ and His work through the faithful ministry of the Meductic Reformed Baptist Church. As we continue our meeting throughout the day, you are encouraged to multi-task and peruse the testimonies of Mrs. Ethel Forbes, Rev. Marven Durling, Mr. David Jewett, Rev. Sheila McCrea-MacCallum, Rev. Arnold Stairs, & Rev. Fred Whittey. My gratitude to each of these Kingdom leaders for the God-glorifying perspectives in their contribution. A special word of thanks to you, Ethel, for enthusiastically embracing the task of compiling the historical summary of the Pastors who served what was called the Meductic circuit from the days of its official organization by Rev. George B. MacDonald on December 5, 1893. This Pastoral Appointment by the Alliance included several preaching points – the satellite locations of their day if you will. Over the lifespan of the main church

in Meductic – these were Greenbush, Middle Southampton, & later, Lower Southampton.

In addition to those who have been included in these written testimonies, there are some other names worthy of note. Charles Clark was a lay person born and raised in Meductic who began his walk with the Lord and was discipled by this spiritual family. Charlie's son, Rev. Darren Clark now serves as Lead Pastor of River Valley Wesleyan in Grand Bay, a new Kingdom location launched in the late 80's where the Clark family played a key role from the early days. Dr. Laurence Mullen graduated from high school in Meductic while his father served as pastor there. Tomorrow, we will honour him for completing 70 years of Ordained Ministry – only the third person in our 135-year history to accomplish this impressive milestone!

As you will see from the thoughts he has penned, it would be worth your time to sit down with Rev. Fred Whittey and hear the influence of this church on his life as an adopted child into a family in the Meductic community. God called him in that very building to sacrifice a promising career in the RCMP and to answer His call to the office and work of an Ordained Minister of the Gospel. And just one of the highlights of Fred & Lilyan's ministry was the planting of Kings Valley Wesleyan more than 40 years ago – now Kings Church. All because of how the Spirit moved to transform the life of a young boy at a small church at the end of the path. Rev. Conard Stairs was also part of the Meductic story, and he served for many years as President of Bethany Bible College. And how can we forget the mighty memory of Randolph H. Nicholson, who was raised and released as a celebrated Kingdom leader both as a logger turned Ordained Minister and as a world-class artist. It was Randolph who baptized Charlie Clark. Someone captured this moment – an eternal standing stone of faith for Mr. Clark and his spiritual family and descendants.

Rev. Randolph H. Nicholson's Baptism of Mr. Charles Clark

The story of the influence of RH Nicholson's ministry through art for God's glory and the advancement of the Kingdom could easily fill the remainder of our morning.

So, you may be wondering – why are we talking in 2023 about a church that closed 55 years ago in 1968, two years before I was born? I will answer that important question in a moment, but first let's dig just a little deeper. Here is what remains of this church building today – directly across from 35 Main St., Meductic.

2023 Site of the Reformed Baptist Church of Meductic

That's right. The building is gone but the true Church remains. The shell was sold in 1995 for \$5000 and now it is a parking lot for a double-car garage. Marven Durling's brother, Blaine has positioned his golf cart where the front door of the church once opened. Remember, Meductic is a Maliseet word that literally means "the end of the path." But the main highway that once ran right through Main St. bypassed this village years ago. Wayne Briggs was the final pastor of this 75-year-old church. The Meductic circuit was his first pastoral appointment and he recently shared with me what the common opinion was about this humble beginning, "The other pastors told me, you're starting at the end of the trail, so you've got no place to go but up!" And while the Maliseet leaders once chose the name to mean "you've arrived at your desired destination," the meaning of that word has completely flipped today. It is the end of the path. You couldn't get farther away from anywhere that matters to most people.

So... now that we have this nugget of our historical ethos in full focus, consider the following...

Some of us have been called to be Lead Pastor of a large church with multiple staff in a populated area. Some of us have been called to be a volunteer staff pastor in a small church or a co-vocational solo pastor in an

out of the way, small rural community. Hear this, whether we accept our Kingdom assignment as a desired destination or we see it as a waystation to something better is a matter of calling. And wherever God leads us, He has a plan for us to raise and release Kingdom disciple-makers... because it is the end of His path for our part in His story.

My friends, whether you are lay leaders or clergy – we all share a Meductic Mandate. God has called us to the end of a path. It IS a desired destination regardless of whether it is big or small, well-known or forgotten. Others might consider your place of ministry insignificant, an out-of-the-way assignment, but the Meductic story is a powerful reminder that God has positioned you exactly where He wants you to serve in the season of Kingdom influence He has entrusted to you to faithfully steward. There are men and women of faith who will be raised up and released out from under your care and only God knows how their stories will shine for His glory because of your faithfulness. And God has led us as a district through a multiple year journey leading into this post-pandemic season to embrace a modern-day Meductic Mandate. Please take out this cardstock 2027 Vision item as we prepare to read it together.

The Meductic Mandate – 400 New Kingdom Leaders by 2027

As you know from our Ministerial Roundtables last fall and as outlined in your delegate packets, we are entering into a four-year journey. Please stand as we read the top paragraph on this page together in unison: **By 2027, we will raise and release a core of 400 church leaders** who are equipped and effective in leading healthy churches that are cooperating and multiplying around the district and in the world.

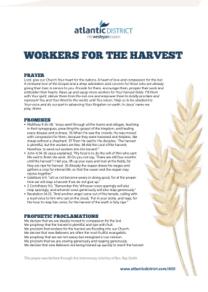

We are believing God for at least 400 new Kingdom influencers by the summer of 2027 – both clergy and laity – who by the Spirit are called, cultivated, and commissioned in the 60+ disciple-making locations we lead.

The detailed information in your delegate packet outlines the process and the resources available for this journey which we will now reference as our Meductic Mandate.

All Lead Pastors will be receiving additional information by the end of summer regarding next steps and opportunities to schedule district coaching for this process over the coming year. Each year we will be counting and celebrating new leaders from our churches who are called, cultivated, and commissioned for the Here, Near, Hard, & Far quadrants of our Acts 1:8 mission-field of harvest.

Once you have helped a disciple determine where God is calling them to serve, the resources to cultivate their preparation as Kingdom leaders for disciple-making are on the reverse side of this item in your delegate packet and are available online with hyperlinks for each resource which can be accessed directly by visiting the district website. All Lead Pastors received this material in advance a few weeks ago, and I know this is a lot to digest. The good news is we have four years to land this.

So, for today, there are only two first steps in choosing how your church will become part of this vision.

Local Church 10:2 Prayer Event for Workers in the Harvest

First and foremost, each Lead Pastor is encouraged to schedule a call to prayer in the spirit of Luke 10:2 to lay the foundation for God to move in our churches. We are asking this would occur sometime this fall before the Advent Season. This may be with only the pastoral team, and/or ministry leaders, and/or the board, a combination of these, or with the entire congregation. Whatever is best for your context. Our first step must be to invite the moving of the Lord of the harvest to call out the workers He needs for the reaping ahead in the four quadrants of our Acts 1:8 mission.

Kingswood Learn Workshop – Backstage Pass 1:30 p.m. Friday (Tabernacle)

Secondly, we are blessed to have an insider opportunity – a kind of backstage pass – to explore an innovative and brand-new resource for raising leaders in our churches through Kingswood Learn. In partnership with CampusEDU, Kingswood University will be providing 50 micro-courses to resource local churches in raising and releasing church leaders. These will be available by the New Year and several of them have been filmed onsite this week during Beulah Family Camp. Campus CEO, Dr. Darren Campbell, and President Lennox will be co-leading a workshop immediately following lunch in the Tabernacle tomorrow @ 1:30 p.m. It would be so helpful if as many of you as possible could be present.

They will demonstrate how using these micro-courses you can create a leadership certificate that is customized for your context – as just one resource in the calling, cultivating, and commissioning of your Meductic Mandate. President Lennox will be sharing more about this later today, and I am so pleased that Darren will be bringing the message in our morning service – you will not want to miss the contagious passion of this visionary man of God who has yoked together with Dr. Lennox in this new day of empowering the local church to raise and release leaders.

Unleashing Churches for Transformed Lives

The Meductic Mandate (2027 Vision)

By 2027, we will raise and release a core of 400 church leaders who are equipped and effective in leading healthy churches that are cooperating and multiplying around the district and in the world.

"The harvest is plentiful, but the workers are few.

Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Luke 10:2)

Atlantic District Mission & Mandate

Church Vitalization Canada released a pre-pandemic report showing that 80% of churches in our country have been in decline over the past four decades. In this rebuilding year we experienced the inverse of this percentage. Nearly 80% of our Atlantic District churches grew numerically in our church year ending April 30th.

And although we are still rebuilding from the waning impact of our pandemic context, we have Holy Spirit transformation to celebrate. Every number has a name, and every name has a story that matters for eternity. It's about unleashing churches for transformed lives. So, for the church nerds out there – here are a few statistics to digest.

- Salvations reported 571 (+25% over last year, however, there were 16 churches with no salvations this year and 9 of those with 2 consecutive years).
- We need to celebrate three turnaround churches with salvations this year over the previous dry year – Live Well Community, Perth Andover Wesleyan, & River Valley Wesleyan! Praise God for this renewed day of transformed lives.
- Baptisms reported 406 (+31% over last year, however, there were 17 churches with no baptisms this year and 12 of those with 2 consecutive years).
- We need to celebrate FIVE turnaround churches with baptisms this year over a dry year in 2022 – CenterPoint Wesleyan, Connection, Hartland Wesleyan, Live Well Community, & Solid Rock Wesleyan!
- Six Churches have not seen a soul saved or baptized for two consecutive years. However, all six have had an increase in attendance this year as they are rebuilding out of the pandemic. Friends, we all have years when the fruit of ministry are less than we would want. And

we do not serve ourselves or our shared mission with our best, when we are unwilling to have open hearted, loving conversations in the right context about the consequences of fruitless ministry. The Fleet Tracker in your delegate packet is a recommended tool for all our Lead Pastors to use with your board. The district is in Dry Dock conversations with several churches and we are always available to come alongside you as you seek to revitalize the mission of being a fruit-bearing Kingdom location.

- As we are rebuilding out of the pandemic and cleaning up membership roles, we must face off with the reality that many who once called our churches their spiritual home are not coming back. This was reflected by our Membership of 3558 – an 18% decrease. It's time to offer the right hand of fellowship through the discipleship tool of membership to those who are new faces.
- Online Worship 4015 (@ 63% of 2022 & more than 6 times 2019 prepandemic number).
- Primary Worship 7615 (+25% nearly 80% of our churches experienced growth in Primary Worship attendance this year).
- Throughout this afternoon I will be making presentations to highlight how God has been at work in our midst this year and to give honour where honour is due.

I am so grateful and humbled that a little Zambian MK who used to fill his days on the snake-infested anthills of Africa gets to serve this amazing tribe of leaders and churches. Friends, God has positioned us exactly where he needs us to be as a bedrock of His truth that transforms lives. Like never before, we are called as Ambassadors of freedom in the shifting sands and stormy gales of an ever-increasing societal antagonism against the heart of God. The writer of Hebrews inspires us with these words, "So that we may boldly say, The Lord is my helper, and I will not fear what man shall do unto me." (Hebrews 13:6)

We honour our past – not as an end unto itself but because like the Psalms did for the Israelites, it reminds us how God wants to shape our future. We proudly stand on the shoulders of those who have gone before. I would be remiss not to give honour to the memory of some who served among us, who this past year joined that great cloud of witnesses. Joanne Campbell passed on July 18, 2022. Ken Gorveatte went to his eternal reward on September 17th. Patsy Bagley passed away on September 22nd. While not credentialed at the time of his passing, Gerald Inman passed on March 3rd. Gracie Benson went to her eternal home on March 11th. Our thoughts and prayers continue for Garry Campbell, Merle Gorveatte, the Bagley family, Auralie Inman, & Rosie Benson and their extended families.

The banners hanging around the Tabernacle remind us that at our core the Atlantic District is – and aspires to be – Anchored in Holiness, Partnered in Mission, Effective in Context, & Courageous in Action. These are the invisible threads that continue to shape and strengthen our culture. And speaking of being Anchored in Holiness, Rev. Marven Durling has provided a wonderful reminder of this foundational work of the Spirit in our lives. Thank you, Marven, for making this hot off the press theologically sound and practical book available at cost as a blessing to our district family. The impact of the Meductic leaders raised and released continues.

I would also be remiss in not expressing personal gratitude for a few of you who serve in the inner circle of district leadership. Karrilee, you continue unequalled as the secret sauce of the Atlantic District. Tami, your leadership as Executive Director is having exponential impact as you coach the management teams in our District Camp Ministry and in how you steward your God-given passion to see lay leaders raised and released.

Scott Prime, as our Asst. DS, what can I say? You are a top-tier first-chair leader, who has mastered serving in a second-chair role. God regularly uses your wisdom and maturity, and love for Kingdom servants to powerfully unleash us in greater days of transformed lives. And I thank God for giving me Ellen – who is wise and strong. No one has had greater influence in showing me the priority of family as first ministry. And, in 9 days Ellen & I will be celebrating the wedding of our oldest daughter Mallory to Nic Schock, an impressive Saskatchewan farm boy who is a teacher at the High School where Ellen works in Moncton, but most importantly loves and follows Jesus!

One day, all our names will all be forgotten by those who lead in the future days God has entrusted to them should the Lord tarry. And some of the places we now serve may be as forgotten as a little stone church in a Maliseet village upriver. Thank the good Lord, it is not about us, it is about the One who builds His Church, the Head of the Body – Christ himself. It is about the glory God receives – in the ways He chooses to measure it. So, stand firm, proud, and strong in your Meductic Mandate for the time he has given you to serve His story for His glory.

Who is *your* church family raising and releasing for the Acts 1:8 quadrants of disciple-making leadership? The Meductic Mandate starts today – Lord, you gave Gideon 300 – we're asking for 400 Kingdom leaders for the harvest ahead. My Kingdom colleagues – we have arrived at the end of the path – and we are *exactly* where God has called us to be.

Assistant District Superintendent Report

Born in Africa in 1940, world-class runner Kipchoge Keino was a legend, earning world records and two Olympic gold medals.

Keino registered for three races in the 1968 Olympics in Mexico City. Few people knew until after the Olympics that doctors had strongly recommended that Keino not compete because of gallstones. However, one hour before the 1,500-meter event, Keino decided to run despite medical orders. If gallstones were not bad enough, the bus he took to the stadium became stuck in traffic and would have made him late for the start of the race. So Keino decided to run two miles to the stadium, just in time to participate in the race. What's even more impressive, Keino won the event more than twenty meters ahead of the reigning champ, Jim Ryun.

It's an incredible true-life story that parallels nicely with the Christian, Church & District Race. What would happen if we listened to every negative voice or suggestion? We would most likely sit on the sidelines for most of our existence. Some would say Keino was born to race, and in many ways, we have been, too, born to run the race Jesus has set before us.

It has been an honour to be an advisor to our very proficient District Superintendent, Rev. Peter Moore, as the Assistant District Superintendent. To observe his helping spirit and passion for Jesus, Pastors, and the Atlantic District is inspiring and honourable. I am thankful for a hard-working DS who goes beyond the call of duty and is available to District Pastors almost 24/7. It has been an incredible year of building foundational pieces to help our District Churches run a very successful race for Jesus.

I am thankful for the Apostle Paul's words for our Atlantic District, District Superintendent, District Churches, and all Believers in Hebrews 12:1-2, "Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us. We do this by keeping our eyes on Jesus, the champion who initiates and perfects our faith."

May we continue to run the race by keeping our eyes on Jesus, disposing of all excess baggage/junk, and letting other witnesses speak into our life.

Running the race,

Rev. Scott Prime Assistant District Superintendent

Atlantic District Executive Director Report

As a lay person who serves the Atlantic District my heart's cry and focus continues to be support of Kingdom growth through discipleship, partnership with clergy, and a commitment to raising new leaders. Throughout the district I have interacted with laity eager to do more for Christ. The fervor to partner with their pastors and impact communities and workplaces for the Gospel is contagious. I am thankful for the opportunity to serve with DS Moore as well as on the AD 2027 Vision Team and DBMD Executive, co-facilitate fall roundtable pastor sessions and new pastor orientation, support clergy and lay leadership teams, foster discipleship mobilization, and oversee camping ministry.

The Camp Board sessions of Beulah Camp and Conference Center (BCCC) and Caton's Island have focused on strategic planning for Kingdom impact and growth. My warmest thanks to each member for their full engagement in extra meetings, prayer support, and attention to detail. As action-oriented advisory boards, each member serves as point in areas specific to their expertise, gifts, and calling. Their service to camping ministry is significant! I also want to thank Dr. Shirley Mullen for her considerable contribution to the BCCC strategic planning process. The Atlantic District is blessed with highly skilled and capable individuals.

Beulah Camp and Conference Center exists to cultivate pastoral and lay leadership, to nourish spiritual growth and renewal, and to provide vibrant fellowship for Christian communities of Atlantic Canada and the eastern United States to the end that the Good News of the Gospel is more visible and more winsomely attractive throughout the region. The three aspects of this workrenewal, recreational, and residential- have provided the framework by which decisions and planning are guided in our district mission to unleash churches for transformed lives. FY23 realized a total of 276 lease agreements with 45 categorized as residential, a management team of five, the development of new and revised by-laws, along with identification of deferred maintenance and capital project needs such as Riverview and roofing upgrades for Heritage Hall, Centennial Park, and McDowell. With the increase of power outages, BCCC has installed an industrial grade generator in the Hotel to meet the needs of the Beulah and Browns Flat community in the case of extended outages. Windows have been purchased for replacement in the upper portion of the Tabernacle along with roofing repairs completed thanks to the generous donation of labour by Philip Hayes and his crew. Thanks to all who donated finances and time to these critical projects. With a commitment to stewarding the resources of Beulah for discipleship and supporting churches in unleashing individuals for transformed lives, BCCC hosted the retreat "Come Away My Beloved" for women to be trained in discipleship skills, in addition to hosting 10 group rentals for the purpose of Kingdom impact. All of this would not be possible without the effective and committed BCCC Management Team. My heartfelt thanks to Jeffrey Doucet, Don Ingersoll, Mike Kneebone, Lynnette Perry, Rob Trafton, and Mike White for making this happen. It is our prayer that by 2027, Beulah Camp and Conference Center,

in partnership with the Atlantic District of The Wesleyan Church, will be a vibrant destination of year-round intergenerational Christian fellowship and spiritual renewal. Will you join us in realizing this target?

Caton's Island exists to share Christ's love with children, teens, and families. Our mission is to be a Christ-centered empowered ministry and an influence to facilitate life transformation in the people we serve. In 2022, we hosted 1838 campers with a staff of 48, completed the \$1.1 million Choate Dining Hall renovation project, and witnessed 101 salvations and 95 recommitments. Our warmest thanks to those who donated labour and time to the Choate project, assisted with annual maintenance, cabin construction and upkeep, and contributed financially to making Caton's Island a premier Christian summer camping experience. Our goal of 2025 campers by 2025 is within close reach! The Camp Board and Director Dean Stephenson's strategic focus on stewardship to meet ongoing infrastructure needs and resources has contributed greatly to Caton's success in 2022. With the Main House as our next capital project target, we require your continued financial support along with your commitment to prayer over this life-changing ministry. Children, teens, and their families are faced with daily challenges that have the potential to distract from who we are in Christ. As we strive to provide Christ honouring experiences for all who attend our camps, will you please join us in praying for our leadership team, staff, campers, and their families?

Atlantic District Camping ministry (including the excellent contribution of Riverside Camp in Maine) is only possible through the financial support and hundreds of volunteer hours provided by you, the Church. We were thrilled that 121 volunteers entered the 2022 Beulah Volunteer Challenge. They played a huge role in the success of Family Camp and summer programming. In fact, many reported an increase in belonging and accomplishment in knowing they contributed to the Kingdom! Thank you for your support of BCCC and Caton's Island.

Mrs. Tami Mutch-Ketch Executive Director, Atlantic District of The Wesleyan Church

Riverside Camp Director Report

The last years of Riverside Camp have been nothing short of "returning to equilibrium" since the disruption of 2020. Over the last three years we have seen our camper registrations hold strong and on par with pre-pandemic numbers (between 100-150 campers). I am excited to report that this coming July, we as a camp board are confident enough to reintroduce a third camp into our camping season. This summer we will hold camps specifically for elementary students, middle school, high school as well as revamping our family camp. It is encouraging to see the hours of work put in by our board members who are committed to seeing Riverside thrive and full of life. The camp is in the best place it has been in, in the last ten years. This is a huge thanks to many investors, volunteers, and faithful contributors to Riverside. In this statement is the fact that the camp is in a very healthy place financially, the grounds and buildings are in as good of shape as they have ever been and the cherry on top is that for the first time in my five years of involvement with Riverside, the quantity and quality of camp staff and counselors is top tier. There seems to really be a growing number of students and young adults passionate about the ministry of Riverside Camp.

With all this in mind, Riverside is primed with opportunity as we think about the next decade. As a Camp Board over the next year, we will be developing plans to strategically increase the quality of ministry Riverside offers as well as the quantity of ministry opportunities the camp provides as well. Much of this revolves around building and strengthening partnerships with our Wesleyan Churches within the Atlantic District (specifically across Maine). One of the things we would love to see happen over the next few years is that Riverside would become a venue that will provide support for our district churches in the areas of Discipleship and Renewal. There already is a beautiful dynamic between several local churches in Maine where Riverside provides a pivotal week every summer for students and adults where they retreat together, engaging with the presence of God finding rest.

Lastly, I personally want to express my gratitude towards Bud Fancy and the rest of the Camp Board for continuing to invest in me and allow me to serve Riverside in this new capacity. I am deeply humbled. There is a phenomenal legacy at this camp with an incredible team already established and I look forward to working with them and building off the legacy that exists.

Grace & Peace, Rev. Parker Davis Riverside Camp Board Chairman

Atlantic Children's Ministry Director Report

This past year our District Superintendent asked me if I would be willing to take over the vacant spot of our Children's Ministry Director for the District. Linda Lamos has given many wonderful years of leadership to this position! What big shoes to fill! Thank you, Linda, for leading and encouraging us for so many years!

Coming through COVID has taught me that we, as ministry leaders, truly need each other. Ministry can be difficult and lonely! When we have others who are walking a similar path to lean upon, it makes the journey easier. So, this year, we partnered with the district youth and gathered in three different locations to meet, encourage, and resource one another. To make this possible we called and or emailed every church in the district to discover who leads the children and youth ministries at each location. This has given us a great start to being able to connect with every church and leader. If you have a children's ministry leader or volunteer who has not connected with our team, please encourage them to reach out (rebecca@sj1.ca)! Doing ministry together expands the Kingdom and makes the journey more exciting! Join us in prayer as we look forward to what the Lord is going to do through the children's ministries of our district as we partner together. Respectfully submitted,

Rev. Rebecca Perry

Atlantic District Youth Presidents Report

We are back into the swing of things this year! The 2022-2023 season has hit the ground running, and we couldn't be more excited. A couple of highlights from this year were Encounter and One Con, both of which were a huge success.

Last year, Beulah teen track tried some creative new approaches to a long-standing ministry as we got back into the swing of things post-pandemic. The week was a huge success thanks to the many youth pastors and the Kingswood team. We look forward to trying some new things again this year as we prayerfully consider the best way to deepen these teens relationship with Christ, and hope that you will join us in praying for these teens.

We have also collaborated with the district children's ministry to create a new set of events this past year. Our "Next Gen Connect" meetings were a huge hit and a great way to resource pastors across the district with ideas and connections to help us to grow and learn together. We are not in this alone! We held three of these over the past few months, in Woodstock, Halifax and Saint John. This was a great opportunity for these areas to connect.

If you're a Youth Pastor serving in our District, paid or volunteer, under ministerial appointment or serving as a lay leader, we would love to hear from you if you have any questions, need resources, or just need someone to talk to. We want to support your local ministry!

We are constantly looking for new ways to encourage and raise up youth leaders across the district, because we believe that we are better together.

"As iron sharpens iron, so a friend sharpens a friend." -Proverbs 27:17

Respectfully submitted, Rev. Martin Stehouwer & Rev. Ryan Genereaux Co-DYP's

District Director of Global Partners Report

Thank you for the privilege of being able to serve again this year as your District Director of Global Partners.

This year I have continued to maintain the *GP Atlantic* website as a central point for accessing information about our various Atlantic District Missionaries. Thanks to Stefan Gilbert for doing the updates on the website.

I have been in communication with most of our mission personnel from the district. My desire is to be able to serve as their liaison as needed in the district. At *The Gathering*, I met with Dennis Jackson and the GP team to discuss our ongoing partnership and additional areas that the Atlantic District that can serve GP.

I have also had the opportunity to connect with both Dan Wallis and Brittney Trafton to discuss our partnership with the Central Canada District and the National Church.

This year we have seen Zach & Laura return from the field and Mike and Shawna prepare to go overseas. If they contact you concerning partnering with them, please find time for them to present their vision to your church. I would be happy to provide their contact info upon request if you would like to book them to speak at your church.

On the district level, I have been in consultation with our District Superintendent concerning the possibility of a vision trip to Bangladesh in the next 18 months. More details will be coming, but if this is something that you might be interested in, please reach out to either myself or Rev. Moore.

GP Atlantic would love to partner with local churches in the adventure. If you are planning a short-term trip this year, please contact me. We can provide resources as well as promote your trip through Globalpartners.ca.

Just a reminder that all local church short-term trips should be registered with Global Partners. There are resources available from GP, and more importantly, it provides another layer of protection for those from our churches who are travelling overseas.

I look forward to continuing to serve both the district and our GP personnel in this capacity.

Respectfully submitted, Rev. Denn Guptill

2023 Atlantic District Fiscal Year-End Overview

The fiscal year just completed absorbed the waning effects of the end of the global COVID pandemic. A new normal is settling in for our churches across the region. Some have recovered with strength, while others are still rebuilding. Although all churches suffered decreased attendance throughout the pandemic, some churches experienced minimal impact on tithes & offerings while other saw significant decline. It would be a fool's errand to hope for a return to predictable trajectories of early 2020. God knew the global pandemic was coming and the impact it would have in every local context. And like the family of Noah, He has trusted us as faithful stewards with the new Church He is building. Our confidence remains strong for those of you who have had to right-size your ministries and staff as you continue to find your fiscal footing. We are blessed by the discernment and intercession of our pastors and lay leadership on our boards as they make wise & Spirit-led choices to invest what God has entrusted to us in this day of rebuilding His Church.

The overview that follows provides a snapshot of our district financial position at the end of FY2023. The collapsed Balance Sheet & Profit/Loss Statement is available in your delegate packet for our three accounting classes of Beulah, Caton's Island, & District Operating. Any delegate is welcome to receive further information regarding these reports upon request. Our 2023 year-end fiscal statements have been reviewed by Ascend Chartered Professional Accountants of Sussex, NB, and have subsequently been approved by the DBA when it convened on Tuesday of this week. This District Treasurer's review of our financial statements will also appear on our website in the 2023 District Journal published on or before the end of August.

Here are a few Noteworthy Highlights from FY 2023:

- 1. Over this past year, more than \$83,000 was invested directly from district operations in Kingdom multiplication efforts which will be highlighted this afternoon. This was in addition to more than \$110,000 in FY2022 & \$100,000 invested in FY 2021. This does not include the \$296,000 entrusted to Deep Water from the remaining resources of Metro Wesleyan to the launch of the BLT Satellite this year as referenced by our DS in his report. Over the past three years as a district family who faithfully pays USF and with Metro's sacrificial investment in the BLT location we have Partnered in Mission for Kingdom multiplication for a total of more than \$590,000 in partial support of the launch of eight new Kingdom locations in our region PTL!
- 2. Our USF collection rate this year was 96.3%. Every single church participated in meeting this obligation, and all but nine churches gave 100% or more. We are blessed with Kingdom leaders who can be trusted to honour their commitments. This incredible level of response is deeply appreciated and makes an enormous difference in the district's capacity to serve our churches and pastors.
- 3. The flow of funds through the district office during the year for all purposes exceeded \$3.8M. It should also be noted that the USF for FY2024 obligations assigned in the District Conference packet represent a decrease of nearly \$60K distributed among churches with assessable income exceeding annual assessable revenue of \$512K. This is a continued result of the action of the 2017 District Conference to lower the district assessment rate beyond denominational

- requirements by an <u>additional</u> 1% between \$512K and \$1.025M and 2% above \$2.05M.
- 4. The rental continuity of Wesleyan Place, our District Office in Moncton, has stabilized from the pandemic tenant transitions and losses in revenue. This phenomenal asset for serving our district leaders and churches has a net cost to the district of less than \$600 per month.
- 5. Beulah and Caton's Island had a combined income of more than \$1.8M and the district operating fund processed more than \$2M.
- 6. Caton's Island completed the \$1.1M expansion to the Choate Dining Hall. This new world-class facility can feed 425 people per meal at one sitting and eliminates the pressures of growth that have been a great challenge in recent years. You will not want to miss the Caton's Open House this Saturday to take part in the Dedication Ceremony @ 2:30 p.m. The Caton's Landing will be shuttling guests from 11:00 a.m. through 4:00 p.m. The Choate Dining Hall Expansion is now fully operational and has been generously supported by key donors to fully fund this impressive upgrade so that Caton's Island remains debt free thanks be to God!
- 7. Total district giving to Global Partners was nearly \$180K. This investment represents partnership with 33 projects and 49 missionaries in 23 countries. Would the pastors and delegates of these top five churches listed in the order of total dollars given please stand this year in descending order they were Yarmouth Wesleyan, Moncton Wesleyan, Cornerstone Wesleyan, Deep Water, & Encounter. In addition to these leaders, would the pastors of the top five per capita giving to Global Partners please stand? River Valley Wesleyan, Cornerstone Wesleyan (the only church on both lists), Trinity Wesleyan, Brazil Lake Wesleyan, & Miramichi Wesleyan. (Let's show our appreciation for their leadership!)
- 8. The WIF loan contains residue balances of \$1.065M from several projects including Heritage Hall, Centennial Park, River Haven, Wesleyan Place and the Tabernacle expansion. However, by far the largest component in this balance is the funding of the state-of-the-art wastewater system which serves continued growth and future possibilities for Beulah Camp and Conference Center operations.
- 9. Prior to May of this year, our National Blue Cross Plan has only required one modest premium increase over the past decade (since 2012) which occurred in 2019. This year required an adjustment in premiums and coverage as the Administrative Services Only (ASO) costs significantly exceeded quarterly payments and needed to be covered by reserves. Our district medical reserve remains strong to assist in uncovered exigencies as may be needed to serve the health our pastoral families.

The year-end fiscal position of the Atlantic District continues to provide a solid foundation for our immediate future as we seek God for wisdom to invest these resources in our shared mission to transform lives, communities, and churches through the hope and holiness of Jesus Christ!
