Atlantic District of The Wesleyan Church Standing Rules

A. Principles

1. The ministers and lay persons of the Atlantic District are and shall continue to be committed to holy living and heart purity. Only those actions and attitudes that speak the mind of Christ should be evidenced among us.
2. The ministers and lay persons of the Atlantic District are and shall continue to be committed to a spirit of unity and brotherhood that, in the spirit of Christ, transcends the consideration of personal bias based on history, geography, or tradition.
3. The ministers and lay persons of the Atlantic District are and shall continue to be committed to Kingdom building through evangelism and discipleship. Our program and budgets shall reflect our high priority to winning the lost and discipling new converts.

B. District Conference Matters

For a more complete overview of the duties and powers of the district conference, please see paragraphs 1075-1180 in *The Discipline of The Wesleyan Church* (2022).

1. The Atlantic District fiscal year shall be from May 1 to April 30.
2. Local churches are encouraged to give reasonable financial assistance to their delegates and pastor when representing them at annual conference sessions.
3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) Members-at-Large. In electing Members-at-Large, while being free to vote for any nominee, the district nominating committee and conference delegates shall be strongly encouraged to consider nomination / election so as to provide for provincial/state representation and lay/clergy parity according to the following formula which reflects our relative strength within

each geographic entity.

Maine	1 lay and 1 clergy
New Brunswick	2 lay and 2 clergy
Nova Scotia/Newfoundland & Labrador/Prince Edward Island	1 lay and 1 clergy

4. District Board of Administration Staggered Terms for Members-at-Large
All Members-at-Large shall be elected for three-year terms. Incumbents may succeed themselves at the conclusion of a three-year term if nominated and elected. Should a vacancy occur during any three-year term, such vacancy shall be filled by the DBA in accordance with existing provisions of The Discipline.

5. Camp Board
The Camp Board shall consist of membership both full and honorary as appointed by the DBA upon the recommendation of the District Superintendent who shall serve as Chair or appoint another to do so. The DBA shall determine the structure and scope of authority of this advisory board.

6. Officer and Department Head Elections

The District Conference shall elect only those officers and boards as required by The Discipline or the District with the District Board of Administration authorized to fill all other positions. (The District Conference will elect the District Superintendent, District Secretary, District Treasurer, District Board of Administration Members-at-Large, National Conference and General Conference delegates.)

7. Year-End Fund Transfers
The strength and interdependence of our various district ministries are both recognized and celebrated. At the conclusion of each fiscal year, funds will be transferred upon the recommendation of the District Superintendent and ratified by the DBA, that will maximize our Kingdom impact as expressed in our core values and vision.

C. District Ministerial Matters

1. All ministers of the Atlantic District are expected to attend the District Conference and the Ordination Service. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent. All credentialed ministers appointed to local church service are strongly encouraged to attend Ministerial events. Lay staff in pastoral roles are also welcome to attend. Lead Pastors are expected to attend or to designate a credentialed staff member to represent the church.
2. All credentialed ministers appointed to a local church are expected to support the district camping program and to share in the work of the camp(s) as assigned. A cap of four credentialed ministers will be required per church but all will be welcome to serve at the discretion of the Lead Pastor. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent.
3. Each pastor when leaving a church, will provide for the incoming pastor a data base/information packet containing information as full and complete as possible on the pastoral charge.

D. Local Church and Pastoral Matters

For a more complete overview of pastoral responsibilities and local board of administration duties, please see paragraphs 750-782 in *The Discipline of The Wesleyan Church (2022)*.

1. Pastoral recall votes shall be routinely conducted during the first two weeks of March. The meeting for an initial pastoral call will routinely be conducted anytime after the middle of March. Any pastor wishing to announce a resignation prior to March 1 may do so only after receiving the approval of the District Superintendent.
2. The tenure of an outgoing pastor shall end on the second Sunday in July and the pastoral change shall routinely take place on the following Monday..
3. Churches calling a new pastor shall pay moving expenses and related costs such as immigration expenses and travel.
4. Each pastor shall be entitled to a minimum vacation per year with pay in accordance with years of service in the ministry according to the following formula:

1 - 5 years service – 14 days not to exceed 2 Sundays
6 - 10 years service – 21 days not to exceed 3 Sundays
11+ years of service – 28 days not to exceed 4 Sundays

Any year of service for which a pastor is entitled to vacation is calculated from the anniversary date of the first Sunday of employment. Vacation time is fully earned upon completion of each year of service. If a pastor leaves a church prior to the anniversary date, vacation will be given on a pro-rata basis. When a pastor leaves a church at the customary time of pastoral change, the church he/she has been serving is responsible for vacation time for that conference year. No church should at any time be expected to provide vacation time in the same year for both an outgoing and incoming pastor.

5. Up to ten days including one Sunday per year are available to staff, solo and lead pastors for conference attendance, professional development, and shared ministry experience. Staff pastors must have the approval of their lead pastor and solo and lead pastors must confer with their LBA. These are to be considered minimums and may be increased by local leadership as deemed appropriate.
6. Pastors should inform the Vice-Chair of the Local Board of Administration of any plans to be absent from the pastoral charge for more than three consecutive days.
7. Sabbatical Leave:
 - a. A sabbatical leave, with pay, of up to 30 consecutive days not to include more than four Sundays, and in addition to regular vacation is available to any solo or senior pastor after completing seven years of ministry or any multiple thereof in the current place of appointment.
 - b. The specific timing of the sabbatical leave must be mutually agreed upon between the pastor and the LBA in consultation with the District Superintendent.
 - c. The church is responsible for any cost incurred in filling the pulpit during the sabbatical leave.
 - d. The pastor is responsible to spend a significant portion of

the sabbatical leave involved in a learning experience either formal or informal. The details of the learning experience component of the sabbatical leave are to be provided by the pastor to the LBA and District Superintendent when the dates of the sabbatical leave are being set.

- e. The pastor is responsible to file a report of the learning experience component of the sabbatical leave with the LBA and District Superintendent upon completion of said leave.
- f. If the learning experience component is in a formal setting, the LBA is requested to give consideration to assisting the pastor in the cost of attending such.
- g. If the learning experience component is an informal one to be pursued in a retreat setting, the Atlantic District will make accommodations at Beulah Camp available at no cost to the pastor during the sabbatical leave, subject to prior bookings.
- h. The LBA of any church having long-term staff pastors are encouraged to consider a sabbatical leave for such staff pastors in harmony with the general provisions of this resolution.

Daily Proceedings

Atlantic District of The Wesleyan Church 137th Annual Conference Day's Proceedings

The One Hundred and Thirty-seventh Conference of the Atlantic District of The Wesleyan Church convened in the Tabernacle of Beulah Camp, Browns Flat, New Brunswick, on July 10, 2025, at 9:00 A.M.

Welcome:

District Superintendent Rev. Peter T. Moore extended a warm welcome to all delegates attending the 137th Atlantic District Conference.

Dr. Rick Christman, President opened the conference in prayer.

Call to Order:

The Conference Chair, Rev. Peter T. Moore, officially called the 137th Atlantic District Conference to order.

Welcome: Rev. Jeremy McDonald was introduced as the Conference Host. Roll Call ballots were distributed, and conference special guests were introduced, these included National Superintendent Dr. Stephen Elliott and Rev. James Winn representing Global Partners.

Roll Call:

Roll call for the Conference was taken by pre-registration. 122 Ministerial Delegates and 88 Lay Delegates registered for 210 Conference Delegates. As well, there were 10 Ministerial voice only (non-voting) registered.

Organization Matters:

District Secretary, Rev. Denn Guptill motioned the following organizational matters:

Mr. Chairman, I move the following:

1. That the Conference Bar be established as the first thirteen rows of the center section in the Tabernacle, together with the platform area, public address/multi-media area and tellers' table to ensure all voting delegates have the opportunity to participate as the Conference requires, and
2. That the agenda circulated in the delegates' packets serve as the guide for the day's proceedings, and
3. That the sessions be governed by the hours of sitting as indicated in the agenda, and

4. That any delegate may submit in writing requests for other business to the chair before the end of the morning break, and
5. That the Teller Committee consists of Rev. Jennifer White as Head Teller, along with eight other members pre-selected by the Chair and Head Teller, and others that may be appointed by the Chair as required.

Support was given from the floor, and the **Motion was carried.**

District Board of Ministerial Development Annual Report:

The floor was given to Rev. Greg Hanson, the secretary of the DBMD.

The following people were elected as Ordinands:

Sonja Hartlen
Crystal Oliver

The following person was elected as a Commissioned Minister:

Joanne Ozon

The Annual Service Reports for Ministers continue to be under review. The final report shall be filed with the DBMD Executive in August, with any pending action to be reported to the District Board of Administration in the fall (2025).

Video reports of celebrations from churches around the district were shown at several times through the day's proceedings.

Ballots were distributed for the Election of 2026 General Conference Delegates.

Dr. Stephen Elliott, National Superintendent of The Wesleyan Church of Canada, was introduced.

The National Superintendent invited Rev. Peter Moore to present the District Superintendent's Annual Report.

Rev. Moore, presented his report and the National Superintendent, Dr. Elliott, called for the adoption of the report.

Reverend Moore's report included an update on the Multiplication Network Journey, presented by Reverends **Nathan Maskery** and **Jason Parker**.

Dean Stephenson was introduced by Rev. Moore and recognized for his 30 summers of service to the Atlantic District as Director of Caton's Island.

Report accepted.

The entire text of the District Superintendent's report will be included in the 2025 District Journal.

The Conference was dismissed for the mid-morning break.

**Second Business Session
July 10, 2025 @ 10:45 am**

District Treasurer Report:

Rev. Sharon Guptill presented highlights from her report, the full report is included in the delegate package.

The Conference was reminded that a complete financial report was available to any delegate upon request at the Beulah District Office and would be included in the 2025 District Journal.

The District Treasurer's Report was adopted.

Rev. Moore indicated that Rev. Sharon Guptill will be stepping down as District Treasurer and the DBA has unanimously appointed Rev. Nathan Maskery as District Treasurer.

Consent Agenda:

Rev. Moore presented three Consent Agenda items for approval, noting that any item could be lifted for separate discussion.

DBMD Report
Ministerial Appointments
Pastoral Placements (Church Directory)

The consent agenda was adopted without dissenting voice.

Rev. Matt Maxwell brought the report from the subcommittee concerning term limits along with recommendations.

The following resolution concerning, Atlantic District Standing Rule B(3) was brought forward by the DBA.

Standing Rules Constitutional Compliance Resolution

2025 Atlantic District Conference

WHEREAS:

The current verbiage of the Atlantic District Standing Rules mandates the selection of Members nominated for election as DBA Members-at-Large based on geographical residency;

WHEREAS:

Our General Superintendent provided a formal opinion in the winter of 2025 defining the constitutional rights of Members in good standing (both clergy and lay) regarding eligibility for election as defined by The Discipline (2022);

WHEREAS:

The current wording of the Atlantic District Standing Rules restricts the rights of Members in good standing to be elected to DBA positions for which they are, in fact, eligible as prescribed in The Discipline (2022);

WHEREAS:

There remains merit for the District Nominating Committee and District Conference to consider geographical representation on the DBA;

THEREFORE, BE IT RESOLVED:

With immediate effect, the Atlantic District Standing Rule B(3) be amended for compliance with the constitutional rights of Members as follows (red indicates additions):

B. District Conference Matters

3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) Members-at-Large. In electing Members-at-Large, while being free to vote for any nominee, the district nominating committee and conference delegates shall be requested strongly encouraged to consider nomination / election so as to provide for provincial/ state representation and lay/clergy parity according to the following formula which reflects our relative strength within each geographic entity.

Maine 1 lay and 1 clergy

New Brunswick 2 lay and 2 clergy

Nova Scotia/Newfoundland & Labrador/Prince Edward Island 1 lay and 1 clergy

The motion passed unanimously.

Atlantic District Superintendent Report

They just kept believing. It was game one of the NBA Finals. The Indiana Pacers had trailed in the score the entire game. But they just kept believing. Say it with me, "They just kept believing."

Now, on paper these teams were completely mismatched. Oklahoma City was the number 1 seed in the West and ranked as the #1 team in wins for the entire NBA with the regular season MVP and sailed through to the NBA Finals as expected. The Pacers were the 4th seed in the Eastern Conference and no one expected them to make it past the Bucks, the Cavs, or especially the Knicks. But – they just kept believing.

But here they were in game one of the Finals for the first time in 25 years. With less than three minutes to play they were down to the OKC Thunder by 9 points and had already clawed back from as much as a 15 point deficit in the 4th quarter. In the entire history of the NBA Finals, any team down by at least nine with under three minutes left had a record of 0-182. But they just kept believing. And then this happened...

([CLICK HERE](#) for the YouTube clip of Haliburton's Game One history-making clutch shot)

After trailing for 47 minutes and 59.7 seconds, they just kept believing.

It was the Thunder's possession for the final play with only 0.3 seconds on the clock and they were fresh out of miracles. The Pacers silenced the Paycom Arena with a Game One W. NOW that comeback statistic for NBA playoff teams down nine or more in the final 3 minutes – reads 1-182. And Haliburton's Pacers stand alone in history because they just kept believing.

Before any hecklers build up their courage – let's be clear – we're not going to talk about Game Seven today or Haliburton's tragic demise for the next year with his achilles injury. However, if any of you want to talk about the incredible run of the Pacers in this year's playoffs in the break, I'd be happy to connect.

Here's a pic for those of you, like my future son-in-law Elijah, who were cheering for the wrong team.

The superstar of OKC – an amazing Canadian talent – Shai Gilgeous-Alexander who was the triple MVP of the year, had this to say after that amazing clutch shot in game one, "We had control of the game... Now, it is a 48-minute game, and (the Pacers) teach you that lesson more than anyone else in the league - the hard way."

It is a 48-minute game. And it reminds us of all the admonitions of Scripture that races are run to be finished. That faithful stewards just keep believing in the next shot God gives us to take. Faithful stewards do what? They just keep believing. We fight the good fight. We finish the race. As those called to Kingdom leadership when we do not grow weary in doing good, at just the right time we will reap a harvest of blessing if we don't give up. We just keep believing.

The remainder of my report will include our second-year Meductic Mandate update, a word about some 2025 statistics, and two special highlights, and some final words of appreciation.

Meductic Mandate – Year Two

Here is a reminder of the District Vision to raise and release disciple-making leaders we launched two years ago at Conference...

Our Meductic Mandate – 400 Leaders by 2027

The supplementary material in the folder for my report gives a detailed overview of this journey. All Delegates received advance access to the document, "Why the Meductic Mandate?" Thank you for taking the time to pre-read this so you understand the context of our journey together. Our Meductic Mandate is fulfilled each time we call, cultivate, and commission a disciple into a disciple-maker who owns the mission for transformed lives into one of the four quadrants of Christ's missional mandate in Acts 1:8.

- Some disciple-makers will have a primary call within the walls of our local churches. This is *Jerusalem* – the **HERE** quadrant.
- Some will have a primary passion to make disciples outside the walls in our communities or through their workplace influence. This is *Judea* – the **NEAR** quadrant.
- Others will feel compelled to give their best and most to disciple *Samaria* – the **HARD** quadrant. Those who are near but different or difficult to reach. This may include multicultural work or serving families with special needs loved ones or making disciples with those dealing with addictions, homelessness, trafficking, or incarceration.
- And finally, some will feel called to invest in reaching the *Ends of the Earth* – the **FAR** quadrant. These disciple-makers include those who strategically lead our local churches to interdependence with the global Church as well as those who feel God is calling them to actually go and serve as short-term and/or long-term missionaries.

So, with this very brief reminder, here are the Year Two results of our Meductic Mandate.

Meductic Mandate Raising 400 Disciple-Making Leaders

This Year (2025):

- 311 disciple-makers

Last Year (2024):

- 156 disciple-makers

Two-Year Total:

- 457 - PTL!

FY 2025

HERE	NEAR
205 - 66%	38 - 12%
HARD	FAR
57 - 18%	11 - 4%

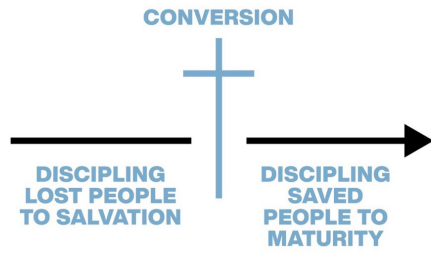

Year TWO – 400 Disciple-Making Leaders

Every number in this chart was submitted as a list of actual disciple-makers by name. These were double-checked with the names submitted last year to make sure no one is being counted twice. Thank you to every Lead Pastor who shared the names of the new disciple-making leaders under your watch who are being raised and released.

As you can see, the numbers doubled this year in the leadership pipelines of our churches from 156 to 311. As the story of the Meductic Reformed Baptist Church inspired us to call, cultivate, and commission, over the past two years we have already exceeded our four-year goal with 457 disciple-makers raised and released.

This is a huge win for the Kingdom in our Atlantic region. I love the vision of my friend and DS colleague Chris Conrad of the Great Lakes Region about raising and releasing disciple-making leaders. Chris dreams of a time in our churches when the three most important days on the calendar each year are Christmas, Easter, and Commissioning Sunday. Imagine what would happen in the Atlantic region if every church had at least one Commissioning Sunday each year to acknowledge and release those who have been raised up as disciple-makers in their personal calling to one of the four quadrants of the harvest?

These are the kind of Kingdom leaders who understand this graphic created by Curt Erskine ...

The Call of Disciple-Makers (Curt Erskine)

You see, the numbers we can count are at the cross in the middle. Salvations and baptisms. They are what the book the *Discipline of Execution* calls the lag measures or what we might call Kingdom fruitfulness. But all the things that need to happen on the left-and-right-part of that arrow, are the **lead** measures of disciple-making we might call Kingdom faithfulness. Nearly impossible to measure, super contextual based on the individual and their own journey of spiritual growth and life circumstances.

I got a text recently from Vince Robertson at West Head Wesleyan that perfectly captures what it looks like to lean into these lead measures a disciple-maker leader. I love the passion in his heart as an evangelist as he shared about a man on Cape Sable Island. How this man has been clean from addiction for the past six months and in Vince's words, "Is on his way to faith. His family back together." Vince has been reaching out to him over the past seven years. You can't put that in a Local Church Statistical Report, **but it is why we do what we do** and it is worth celebrating.

Bobby Harrington of Discipleship.org reminds us – Jesus didn't say, "Go and get more people in the seats." He said, "Go and make disciples."

As the DBA reviewed this progress of Year Two in our Meductic Mandate, we agreed we will have a singular focus on one thing for FY2026 to be our final year of the Meductic Mandate as we prepare in our strategic plan to move on to the next district vision priority in how we will work together to multiply new Kingdom locations.

So, what is that one thing? We are calling on every Kingdom location in the Atlantic Tribe to have at least one **Commissioning Sunday** before Beulah next year. If you were in the Tabernacle on Tuesday night you already know what

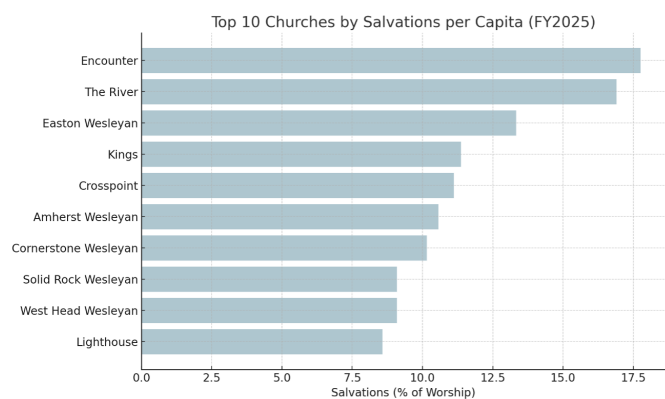

I'm talking about. You will be hearing more about this from me later in the summer. But before we dive into a sneak peek at our ongoing multiplication conversation, let's take a brief look at some of the statistical highlights of this year.

By the Numbers – Some 2025 Statistics

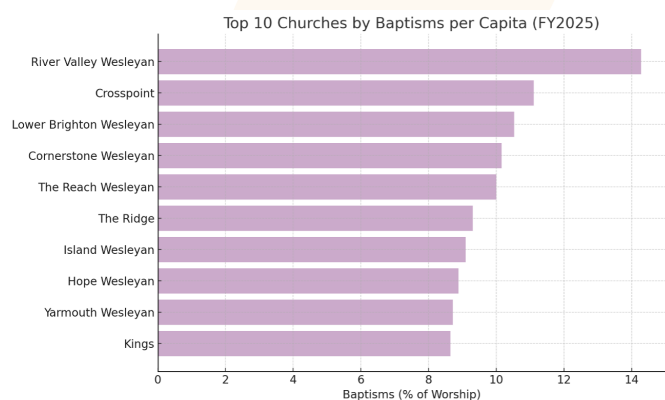

Church, we have some Holy Spirit transformation over this past church year to celebrate. Remember, every number has a name, and every name has a story that matters for eternity for God's glory. It's about unleashing churches for transformed lives. Here are some key statistics to acknowledge.

- First and foremost – let's talk about the people going to heaven this year who did not have that assurance before. 645 decisions to follow Jesus were reported – Praise the Lord!!!
- Of the 63 Kingdom locations across our district, there were 7 churches with no reported salvations this year. This is one more than last year and has taken a small step in the wrong direction. We will not be satisfied until this is zero churches. Lord, make it so as we labour in your harvest fields!
- There were 556 baptisms across our 63 Kingdom locations. While there were 8 churches with no baptisms this year this is down from 12 last year and 17 in 2023. This is trending in the right direction.
- Last year, our primary worship average attendance jumped 5% to 9,239 with nearly 60% of our churches holding their own or experiencing growth. This is only about 200 people less than the pre-pandemic high water mark of attendance.

You all received an advance copy of a multiple-page statistical summary of how God has been at work in our Atlantic Tribe over this past church fiscal year ending April 30th. These lists and charts are a simply a snapshot in time of the **faithfulness** and **fruitfulness** of our Kingdom colleagues and church families across the Atlantic region.

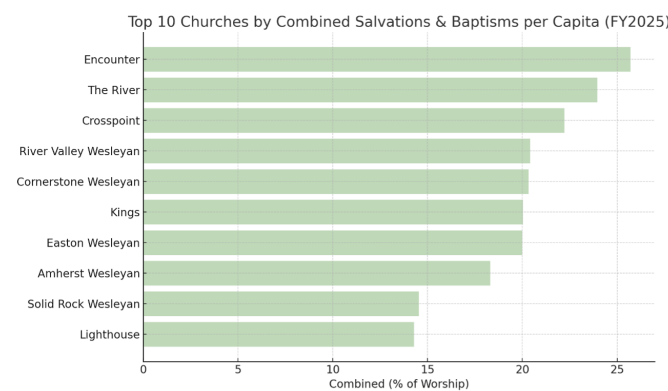

Encounter Church with Jim Agrell celebrated 38 eternal souls finding hope and life in Jesus this year. They had the 4th highest number of any church, but when you factor in the size of their congregation it scales to be the most fruitful context we experienced this year in any of our Kingdom locations.

River Valley Wesleyan with Darren Clark had 7 baptisms – PTL! And while they were not even in the top ten of actual baptisms, the context of their current scope of impact gave them the highest per capita outcome by far of any of our churches this year. Yarmouth Wesleyan (AJ Plaizier) led the per capita baptisms for our larger churches & Kings with Brent Ingersoll's expanding team continues to set pace for our larger congregations as the only church in the 500+ range to make both of these per capita reflections of fruitfulness.

Statistics like these remind us that we steward not just a personal *calling* – but we steward a particular *context*.

When you add the number of people saved with the number of people baptised this past church year as a percentage of your church's primary worship attendance average, it scales fruitfulness. Churches like Encounter and The River in Bangor (Mark Soone) are modeling for us how to best multiply the talents we have received from the Master.

Now let's get up to speed on how we are partnering in Kingdom expansion...

Appreciation & Conclusion

I want to thank the District Board of Administration for generously approving a 45-day sabbatical this year in my 8th year as your DS and for resourcing on your behalf a 2.5 week trip of a lifetime on my childhood continent in Africa. I especially want to thank Dr. HC for stepping up to bat once again as our

Acting DS during December & January.

As always, I give a sincere shout out to those in my innermost circle of trust and ongoing leadership for our Atlantic District team. Our Executive Administrator Karrilee Bremner, our Executive Director Tami Mutch-Ketch, our Assistant DS Scott Prime, and our DS Emeritus, Dr. HC, and our DBA. You are an incredible team and effectively serve our district with passion, excellence, and a sincere love for those we serve – even if I could it alone, I wouldn't want to because of the blessings I have every day in sharing this journey with you.

But the biggest highlight of my year wasn't with any of you. In March, I had the unexpected delight of taking my bride to Egypt for her first time and introducing her to friendships I have been forming over the past 15 years – thanks to Global Partners for honouring her by helping make this trip happen. I will be forever grateful to God for blessing me with Ellen to share in this journey of life & love as we prepare this fall for the wedding of our middle daughter.

And we would be remiss when we gather if we did not pause to give honour to the memory of some in our ministerial family, who this past year joined that great cloud of witnesses. These include Rev. John McElhinney, Mrs. Judy Foote, & Rev. Roosevelt Benson. Rosie was just a few months shy of being only the second pastor in our history to be Ordained for 75 years. We honour their memory and give the Lord praise for the shoulders of their legacy upon which we continue His work.

Now, let's land this plane...

Even a rabid Indiana Pacers fan like me would admit that Tyrese Haliburton is not a superstar, but he is clearly the leader of the team. Most of us – and I am clearly in this majority group as well – are self-aware enough to have confidence that God has called us onto the court of Kingdom leadership – but that we are not superstars. And we just keep believing that the next shot we take could be one that God uses to change the course of eternity in His story. We believe in our calling because we know it's a 48-minute game – it is a marathon for His glory, not a sprint for ours.

As Anthony Graham once said at a District Ministerial more than 20 years ago, "Pastoring a church is like driving a bus, people get on and people get off." Just keep believing. Some years you make the top ten lists at district conference and some years you don't. Just keep believing. Sometimes relationships with the people you are called to serve get altered. Just keep believing. Sometimes your own family turns against you, or even worse –

rejects the Gospel. Just keep believing. Some people accept Christ in our first conversation, and some are still resistant after years of loving seed-sowing. Just keep believing.

The parable of the talents teaches us that we can all be found faithful as stewards. It is His marathon, not our sprint. God has called you into the race – not because you are qualified – but because you said "Yes" to be a steward of what the Master has entrusted to you. So, run the race, and just keep believing in what He has set before you. God did not call you to serve as a Kingdom leader to be the fastest or run the farthest. He called you to finish the race He has for you. Do not grow weary and lose heart, just keep believing.

Now, let's get back on the court... and take that next shot!

Assistant District Superintendent Report

The book of **Philippians** overflows with encouragement, partnership, and joy in the work of the Gospel. Paul's words ring true for our District family: *"I thank my God every time I remember you... because of your partnership in the gospel from the first day until now."* (Philippians 1:3,5 NIV)

Serving as **Director of Church Multiplication** over these past few years has been a profound honour. We are in excellent hands as Rev. Nathan Maskery and Rev. Jason Parker co-lead this essential work. I'm thrilled to report that we now have four successful multiplication networks operating in our District, each helping to advance the mission in fresh and fruitful ways. At the same time, I'm excited to step into a new role leading **Church Revitalization**, helping local churches across Atlantic Canada and the State of Maine achieve their full potential in Kingdom work. I look forward to unfolding a clear action plan and connecting personally with many of our churches that need encouragement and help towards health and growth.

Serving alongside our District Superintendent, Rev. Peter Moore, continues to be a sacred joy. His compassionate and courageous leadership inspires confidence and calls us to bold Kingdom living. So much of what he carries remains unseen, and I invite you to join me in upholding him in prayer as he continues to lead us forward with faith and vision.

With gratitude for this Gospel partnership,

Rev. Scott N. Prime
Assistant District Superintendent

District Director of Global Partners Report

Thank you for the privilege of being able to serve again this year as your District Director of Global Partners.

This year I have continued to maintain the GP Atlantic Website as a central point for accessing information about our various Atlantic District Missionaries. Thanks to Stefan Gilbert for doing the updates on the website.

I have been in communication with most of our mission personnel from the district. My desire is to serve as their liaison, as needed, between district churches and our GP personnel.

I had the opportunity to meet with several district pastors to discuss possible home team partnerships with either Global Partners or World Hope.

If your church is planning a short-term trip this year, please contact me. We can provide resources as well as promote your trip through Globalpartners.ca.

Just a reminder that all local church short-term trips should register with Global Partners. There are resources available from GP, and more importantly, it provides another layer of protection for those from our churches who are travelling overseas.

The impact that Atlantic District churches continue to have in the Majority World will only be known on the other side of eternity.

In January, I was privileged to serve as the Canadian Clergy delegate at the International Conference of the Wesleyan Church in Johannesburg, South Africa. What an incredible opportunity to join with Wesleyans representing the Global Wesleyan Church.

I've also met with national representatives from our Church in Bangladesh, as well as the team leadership, regarding our vision trip in February 2026. For more information visit, <https://globalpartners.ca/bangladesh>.

GP-Atlantic would love to partner with local churches on the adventure. There is something that your church can do to help change the world. Just reach out to me to discuss the possibilities that might be open to your church.

I look forward to continuing to serve both the district and our GP personnel in this capacity.

Respectfully submitted,
Rev. Denn Guptill
District Director of Global Partners

Atlantic District Executive Director Report

"Go and make disciples." (Matthew 28:19) The command is clear and stirs a deep sense of urgency in the hearts of all who know Jesus as their King and Lord. Given the weight and immediacy of Jesus' command, we must be equipped - ready to recognize the promptings of the Holy Spirit and obedient when He leads us into relationships. Making disciples is not optional; it's a divine call to action, rooted in love, empowered by the Spirit, and urgent in its timing.

A disciple maker is a person who builds relationships with others and helps them learn how to trust and follow Jesus.

Beulah Camp and Conference Center (BCCC) and Caton's Island exist to share the good news of the Gospel, and to assist the local church in equipping and resourcing individuals to return to their homes, communities, schools, and workplaces as a disciple maker.

Highlights FY25 Beulah Camp and Conference Center

- Family Camp July 2024 attendance exceeded expectations. Speakers: Darren Clark, Kyle Ray
- Special Assessment Funds (SAF) received to activate deferred maintenance projects
- Trailer Park washroom renovation, construction of public washroom for Tabernacle Terrace, addition of stop signs to streets entering Beulah Road
- 8 year round group rentals
- Summer programming post Family Camp – Labour Day weekend
- Management Team: Maintenance & Facilities (1), Guest Services (1), Events (1), Food Services (1), Summer Students (2)

In Progress FY26 Beulah Camp and Conference Center

- Transition to onsite year round Director* role effective FY26 with hire of NEW Director-Elect, Wayne Clark
- Family Camp 2025 with focus on *Disciple where you Go* as resource to meet AD 2027 vision of raising 400 new leaders; Speakers: Steve DeNeff, Zach Coffin
- Two mini conferences embedded in Family Camp 2025 to equip disciple makers. "Marketplace Discipleship" and "Discipleship at Home"
- Second installment of SAF for continued completion of deferred maintenance projects
- Strategic vision plan for mission/programming and facilities maintenance/upgrades including Tabernacle Terrace
- Summer programming post Family Camp – Labour Day weekend
- 9 year-round group rentals
- Staff: Maintenance & Facilities (1.5), Guest Services (1.5), Events (1), Summer Students (3)

Highlights FY25 Caton's Island

- 2010 campers (to be counted must stay one night and hear the Gospel message)
- 20 camps and group rentals
- 51 staff
- Succession plan activated for Director position transition FY 26
- Hiring of Director-Elect Ben Canney for FY26 Director position
- Hiring of Office Manager – Lynnette Perry
- Completion of the Lodge accommodations for guests, speakers, volunteers
- Generator for Dining Hall

In Progress FY 26 Caton's Island

- Director succession plan with new Director in role effective May 1, 2026
- Construction of Administration/Main Lodge building
- Program enhancement
- Development of year round fundraising strategy
- May 2025 fundraising dinner received \$20,780
- 56 summer 2025 staff
- 20 camps and group rentals summer 2025

Supporting and equipping the laity to partner with their pastors in sharing the Good News of the Gospel, both in their communities and workplaces, continues to be my mission. Throughout the Atlantic District, churches are experiencing a renewed fervor and hunger among individuals of all ages and stages of life, each desiring to share Jesus with others, one relationship at a time.

If you are part of a church team seeking to create a discipleship pathway tailored to your context, a pastor looking for ways to better equip the laity, or a lay person who senses a call and just needs help discerning what it means or where to begin - I'm here to help.

Thanks be to God for His blessing and provision,

Tami Mutch-Ketch

*The FY26 target is an onsite year-round Director to oversee the planning, implementation and administration of the strategic plan in partnership with the Executive Director of the Atlantic District. This administrative role will involve oversight of operations and human resources.

Riverside Camp Director Report

I reported this time last year that Riverside had completed a full renovation of our girl's dorms which included all new mattresses, bunks and furnishings. I also stated that at the time of district conference we had reached pre-covid numbers of campers. I am pleased to inform you that last fall we were also able to completely gut, paint and rebuild the inside of our boy's dorms. This included building all new bunks, walls and putting in new doors. Thanks to the resourcefulness of our Board members, long time attenders of Riverside and churches throughout Maine in 2024 we were able to renovate both our Girl's & Boy's Dorms. Most notably this was done for less than what we had budgeted to complete the renovation of just one of the camper dorms. At the same time this came at no cost to the camp. I am truly grateful to have witnessed a significant amount of generosity towards Riverside over the last year.

Furthermore in 2024 Riverside hosted a one-day family event in June that has now turned into a weekend event called "Riverside Days." Over the course of this weekend our aim is to offer a full and immersive experience of what Riverside is truly like. For all ages at that. At the same time last fall, we held our first-ever fall retreat for Middle School and High School Students. With the help of Shaun Miller and the Praxis students we were able to offer a weekend disconnected from the rest of life for students to connect with Jesus and each other. With the addition of these two weekends, it has in my opinion bolstered both the ministry effectiveness of the Camp for Central Aroostook County and has greatly helped to move Riverside to a place of greater sustainability.

With this being said, throughout the spring of 2025 we have renovated our dining hall, bathrooms, and begun phase one of upgrading our kitchen. We have also begun work on leveling ground for a new rec field which will also double as added parking for staff and visitors. With all the work that has been done in the last year and this past spring, our Camp Board has achieved THREE years of our renovation plan in just 18 months! The purpose of these renovations is to both create a more hospitable and comfortable environment for our campers and guests (without losing Riverside's humble charm) while at the same time making Riverside a more viable event venue to offer to our community which will help with sustainability and allow us to keep Camper costs down.

Currently as of June first our Camper registrations are up from 2024 as well. The last Camping Season was a big step in the right direction for Riverside and 2025 is shaping up to be another pivotal year in the life and ministry of this Camp.

Respectfully submitted,
Rev. Parker Davis
Riverside Camp Chairman

Atlantic Children's Ministry Director Report

This has been my first year as the District Children's Ministry Director and it was a year of exploration and connecting. I did three tours through our district, with some other connecting time on the side, to talk to as many kids' min directors/pastors as possible. It was a time of hearing their stories, resourcing them as much as they needed and encouraging them in the journey. I have found some amazing people on our district who have a heart to reach the next generation, and I was so glad to be able to connect with as many as I did even for a few moments.

I would encourage you to check in on kids' min kids and leaders for yourselves to see how they are doing. I would also encourage you to invest time and resources as though they are the vital part of your church that you might claim them to be. The kids in your ministry are the church of today AND tomorrow and the people that pour into them each week just might deserve a medal. They will often feel sidelined as 'just' working in kids' min and maybe a little under appreciated. But with your support the next generation can flourish, our leaders can flourish. Take some time in the next little while to invest in some way into your kids' min, it will be an investment in the future of your church.

Respectfully submitted,
Rev. Liz Hoyt

Atlantic District Youth Presidents Report

It's been a great year for youth ministry!

We as your district youth presidents are excited to share what God has been doing in our region. We have had fantastic big events, including One Conference, Encounter, and the addition of Ignite this past year. We've seen God move in incredible ways through these events and are thankful for our network of Youth Pastors/Leaders as we resource each other to find success in all of these events.

Speaking of Youth Pastors, we also had a fantastic year with the Beulah Youth Collective (formerly known as teen track). We had multiple youth pastors share their heart with the teens, challenging them to new depths in their relationships with Jesus. We had wonderful music brought to us by the Kingswood team, and as always, some amazing memories made through games and connect events. A big thank you to all of our youth pastors and leaders who served faithfully during this time.

We once again got to participate again this year in FUEL, the annual church conference for Wesleyan youth leaders/pastors. This was hosted in Fishers, Indiana, and was a great time of learning, worship, and connection for the both of us. We look forward to continuing to partner with The Wesleyan Church as a whole in our responsibilities as co-DYP's!

As Always, if you're a Youth Pastor serving in our District, paid or volunteer, under ministerial appointment, or serving as a lay leader, we would love to hear from you if you have any questions, need resources, or just need someone to talk to.

We want to support your local ministry! We are constantly looking for new ways to encourage and raise up youth leaders across the district because we believe that we are better together.

Your Co-DYP's,
Martin Stehouwer & Ryan Genereaux

District Clergy Care Coordinators Report

We have been honoured to come alongside many individuals or couples this past year to offer care through coaching and counselling. Whether it be online or in-person, individually or with a ministry couple coming for a day or multi-day experience, God has brought hope and healing to many.

At last year's District Conference, we shared about a task team addressing important questions. The DBA received two reports – one in November 2024 and one in April 2025 – answering two questions:

1. What is the best standard of care the Atlantic District can offer to those who are in crisis?
2. How can we cultivate a healthy culture of care and safety for those serving under District appointment?

These meetings and consultations have led to a comprehensive approach, combining both preventative and restorative strategies, all under the heading **"Care Resources to our Pastors and their Families."** We are so pleased to see this new development for those serving in the Atlantic District.

NEW: Accessing Care Resources on the District website

You can begin your search for Care Resources on the Atlantic District website.

- Click the **Resources** tab on the homepage.
Choose **Clergy Care** from the drop-down menu.
- See **Care Resources to Our Pastors and their Families** and choose **Preventative Resources or Restorative Resources**.

- To access **Preventative Resources**, see a list of options to consider in the coming year. Click **GET STARTED** to request more information. Made for More Ministries (info@madeformoreministries.ca) will follow up with you to answer questions and provide information about the options available.

- To access **Restorative Resources**, click **REQUEST HELP**. You will be directed to clergycareadvocate.ca. Here you can submit your information/need and the Clergy Care Advocate will follow up with you (see next).

NEW: Clergy Care Advocate

Rev. Dave Higle will be serving as our Clergy Care Advocate (CCA). The CCA offers a safe, confidential space for pastors to talk about any immediate needs or concerns. The CCA helps assess each situation and connects pastors with the most helpful resources. All conversations remain completely confidential. The CCA is to serve primarily under the Restorative track.

NEW: Flourishing in Ministry Assessment

An important assessment will run from October 7–22, 2025. Every pastor is asked to participate to help us gather a District-wide picture of clergy well-being. While some of you may have taken a similar survey in the past, it did not provide District-specific results. You will receive a code specific for taking this as a group. Key recommendations and a follow up with Dr. Chris Adams will be presented to the DBA in November and the clergy at the District Ministerial in January 2026.

Counselling and Coaching available for Atlantic District Pastoral Families

Canadian Pastors and Immediate Dependent family members:

- The Atlantic District will provide for pastors (and immediate dependent family members) appointed to our local churches, up to three counselling/coaching sessions each, per year. These are confidential sessions billed anonymously, with no names included.

Additional counselling sessions for those with Blue Cross:

- Jay is a Blue Cross provider (other insurance providers may apply as well). This is an excellent option to continue care beyond the three sessions provided by the District. There is a small co-pay based on the extended benefits under Blue Cross.

State of Maine Pastors and Immediate Dependent family members:

- Pastors and their immediate family members serving in Maine are eligible for up to five counselling/coaching sessions each, per year, since they are not covered under the District Blue Cross plan.

Booking Sessions:

- Sessions can be booked virtually, or in-person based on location, distance and schedules.

A Come-Away Experience (Intensive)

- A retreat experience is available offering one-on-one or couple-to-couple sessions, depending on your needs. Accommodations at Beulah Camp are provided. You will need cover travel and meals, with at least one shared meal with the Guptills included, if desired.

Your Ideas...

You are the best resource we have. Feel free to speak with us and share ideas of how the Atlantic District can offer care and support in the areas of coaching and counselling.

2025 District Treasurer's Report

Where God guides, He provides! This report provides a clear overview of our district's financial health over the past year. By God's provision and your faithful stewardship, we have remained financially stable while supporting vital ministries. Together, we continue to invest in Kingdom work with transparency, accountability, and a heart for eternal impact.

The overview that follows provides a snapshot of our district financial position at the end of FY2025. The collapsed Balance Sheet & Profit/Loss Statement for our three accounting classes of Beulah, Caton's Island, & District Operating are available in your Virtual Conference Packet. Any delegate is welcome to receive further information regarding these reports upon request. Our 2025 year-end fiscal statements have been reviewed by Ascend Chartered Professional Accountants of Sussex, NB. This positive review did not contain any material qualifications requiring action and will be examined for approval by the DBA when it convenes on Wednesday, July 9th. This District Treasurer's review of our financial statements will also appear on our website in the 2025 District Journal published on or before the end of August.

Here are a few Noteworthy Highlights from FY 2025:

1. Over the past five years as a district family who faithfully pays USF and with Metro's sacrificial investment in the BLT location, we have Partnered in Mission for Kingdom multiplication for a total of more than \$650,000 in partial support of the launch of eight new Kingdom locations in our region! This current fiscal year is the second of the General Conference mandated USF investment in which a portion of last year's income will be invested in Kingdom multiplication. Our DBA proposal has been approved by the General Superintendent which includes partnering with New Hope Wesleyan in the fall launch of a Windsor location and with Deep Water in the fall launch of their Woodlawn location. We have heard from our new Directors of Multiplication in our DS's report about the vision of the existing Multiplication Networks to launch at least four new locations in the next two years as well as other strategies for new Kingdom locations. Our church multiplication reserves are strong to support many more in the years ahead.
2. Our USF collection rate dipped slightly to 92.1%. However, nearly every church participated in meeting this obligation, and all but nine churches gave 100%. We are blessed with Kingdom leaders who can be trusted to honour their commitments. Your faithfulness is deeply appreciated and makes an enormous difference in the district's capacity to serve our churches and pastors.
3. The flow of funds through the district office during the year for all purposes exceeded \$4.6M a new all-time high. It should also be noted that the USF for FY2025 obligations assigned in the Virtual Conference Packet represent a decrease of over \$66K distributed among seven capped churches with assessable income exceeding annual assessable revenue of Tier One at \$537,500. This is a continued result of the action of the 2017 District Conference to lower the district assessment rate beyond denominational requirements by an additional 1% for Tier Two and an additional 2% for Tier Three.
4. The rental continuity of Wesleyan Place, our District Office in Moncton has proven to be a phenomenal asset for serving our district leaders and churches with a net cost to the district of less than \$800 per month.

5. Beulah and Caton's Island had a combined income of more than \$2.6M and the district operating fund just under \$2M with a combined total in our three accounting classes of more than \$4.6M. Our Executive Administrator Karrilee Bremner is to be commended for her outstanding efforts in managing this massive task with such grace and diligence. She is an exceptional gift to our district.
6. Caton's Island ministry continues to expand with the addition this year of a new Administration Building which will also house the medic station and family. When the upstairs portion is complete it will include boys & girls dorm space for an additional 36 summer staff. As capital projects are receiving unprecedented levels of financial support, in FY25 for only the second-time ever, total revenue for Caton's Island exceeded that of our Beulah class. We were only 15 registrations short last summer of Director Dean Stephenson's 2025 Vision to see 2,025 registered campers who stay at least one night and hear the Gospel at least once. The growing number of campers is providing increased stability, and the fiscal outlook has never been stronger.
7. Financial partnership with the International Wesleyan Church occurred through 21 projects and 31 missionaries in 18 countries. The top nine churches on our district are listed in the Global Partners report in your Virtual Conference Packet. The support for World Hope International – Canada will be highlighted later in our business in a report from CEO Tanya Nace.
8. The WIF loans contain residue balances of just over \$900K from several projects including Heritage Hall, Centennial Park, River Haven, Wesleyan Place and the Tabernacle expansion. However, by far the largest component in this balance is the funding of the state-of-the-art wastewater system which serves continued growth and future possibilities for Beulah Camp and Conference Center operations.
9. Our district reserves remain at healthy levels to mitigate unexpected challenges and expenses for a variety of matters. This includes our medical reserve which remains strong to assist in uncovered health emergencies. Thousands of dollars are also invested each year in serving other confidential challenges our pastoral families face. We are blessed to be able to make a real difference in their lives because of your commitment to USF in support of our district ministry.

We praise God for His provision. The year-end fiscal position of the Atlantic District continues to provide a solid foundation for the foreseeable future as we seek God for wisdom to invest these resources in our shared mission to unleash churches for transformed lives!
